PLEDGE OF ALLEGIANCE & MOMENT OF REFLECTION

OPEN PUBLIC MEETINGS ACT ANNOUNCEMENT

ROLLCALL

Resolutions: (12)

1. Opposing the proposed rate increases to the State Health Benefits Program

The State Health Benefits Commission is considering a blended premium increase of approximately 20% for 2023 which will impact public employees and taxpayers across the State.

2. Authorizing the settlement of litigation entitled “Howard Schier v. Mount Olive Township and Mount Olive Planning Board,” filed in Federal District Court for the District of New Jersey, bearing civil action no. 2:19-CV-17705(JMV)(LDW)

A settlement has been reached in reference to the 6 Red Maple Sober Living Facility.

3. Authorizing a 2022 grant contract with Morris County Historic Preservation Trust for the Seward House – Construction Documents

Mount Olive has been awarded \$50,560 to prepare and design the construction documents for interior restoration and rehabilitation of the Seward House. This includes restoration of historic features and finishes and installation of new utilities and lighting. The total project cost is approximately \$65,000 and the match will come from the NJ Historic Trust Fund.

4. Authorizing a 2022 grant contract with Morris County Historic Preservation Trust for the Seward House – Construction

Mount Olive has been awarded \$286,308 to continue construction on the exterior of the Seward House. This next phase includes restoring the masonry stucco finishes, carpentry of doors and windows and front and side porches. The total project cost is approximately \$700,000 and the match will come from the NJ Historic Trust Fund.

5. Closing Rolling Hills Drive between Tall Oaks Lane and Connelly Avenue August 20, 2022, between 2:00 PM and 8:00 PM for the purpose of holding a block party (no rain date)

A block party has been requested and reviewed by the Police Department requesting closure of Rolling Hills Drive between Tall Oaks Lane and Connelly Ave on August 20, 2022 between 2 pm and 8 pm with no objection.

6. Requesting approval from the Division of Local Government Services for insertion of a specific item of revenue into the 2022 Municipal Budget (\$10,735.44 for National Opioid Settlement Grant)

The Township has received its first allotment of the National Opioid Settlement in the amount of \$10,735.44 which needs to be inserted into the budget and approved by the DLGS. Over the next eighteen (18) years the balance of \$313,477.56 will be remitted and held in a separate account and used only for the permitted uses: implementing abatement strategies, evidence-based programs, training, etc.

7. Authorizing the cancellation of taxes on 11 Oxford Road (Block 8200, Lot 28) for disabled Veteran declared 100% totally & permanently disabled by the Tax Assessor

The property owner has been granted a full exemption from property taxes due to being declared a disabled Veteran. Property taxes will be cancelled from the effective date of June 1, 2022 in the amount of \$11,312.85.

8. Authorizing the use of Open Space Funds for Phase I/II Environmental Site Assessments, Remedial Investigation and Reporting and Regulatory Closure at 5 Pondview Lane (First Environment) *REVISED – Increasing contract amount and description

The contract for First Environment to perform Environmental Site Assessments, Remedial Investigation and Reporting and Regulatory Closure at 5 Pondview Lane needs to be increased in response to recent findings obtained from the initial sampling. The final contract amount is \$33,711 and is an allowable expense covered by the Open Space Fund.

9. Authorizing Participation in the American Rescue Plan Firefighter Grant

The ARP Firefighter grant is a competitive grant that supports local and regional fire department by ensuring that they have proper fire protection, cleaning and sanitization equipment needed against the combined threats of COVID19 and the strain of emergency fire requests. A \$75,000 grant application will be submitted to carry out a project to fund firefighter protective clothing and equipment and a local match requirement of \$25,000.

10. Waiving construction permit fees to Procomm Systems (or subcontractors) related to the Radio Upgrade Project at the Gail Drive Water Tank

Procomm Systems will file for construction permits associated with a joint project between the Township and Board of Education. A written request to waive the permit fees to Procomm or their subcontractors associated with the project was received.

11. Resolution of the Township Council of the Township of Mount Olive Authorizing the Renewal of Alcoholic Beverage licenses for the 2022-2023 Licensing Period. (Kennedy's Pub and Restaurant LLC)

Because this license is in an "inactive status" a 12.39 special ruling was needed. The licensee submitted the appropriate paperwork to the Director of the Division of ABC. The Division has notified the Clerk's Office that we can proceed with renewal. All fees have been paid and they have obtained tax clearance.

12. A Resolution of the Township of Mount Olive, in the County of Morris and State of New Jersey, Authorizing the Execution of a Contract and use of Open Space Funds for The Purchase 5 Pondview Lane (Block 6900, Lot 26) Located in the Township of Mount Olive, Morris County, New Jersey. Added 8/9/2022

Ordinance for First Reading: None

Ordinance for Second Reading: (3)

**ORD.#22-2022 Amending Chapter 302 Property Maintenance to establish Article IV Vacant and Abandoned Properties, Property Registration Program, of the Township Code.
Amended 8/9/2022**

The State passed a bill, A2877, which expands a municipality's power to regulate vacant and abandoned properties and creates increased liability for creditors of residential and commercial properties. The new procedural items are currently not listed in our ordinance which address the Abandoned Properties Rehabilitation Act (APRA). A2877 does not repeal or replace APRA. It provides a broader regulation and enforcement capability, and it is recommended to enact the ordinance to allow our enforcement official greater tools to pursue any and all violations that are present on a vacant or abandoned property.

ORD.#23-2022 Amending section 3(f)(iv) of Bond Ordinance #6-2019 of the Township of Mount Olive, finally adopted March 6, 2019, as amended by ordinance #12-2022, adopted April 19, 2022 in order to include an additional project, decrease the useful life and revise the average useful life

The Township needs to acquire a rescue boat for the Budd Lake Fire Department and storage & firearms equipment for the police range. There are additional funds left over from a prior ordinance which can be re-allocated.

ORD.#24-2022 Amending Chapter 347, Streets and Sidewalks, of the Township Code to establish a limited reimbursement program for shade tree removal and sidewalk repair in the Clover Hill Development

The Township would like to create a Clover Hill Shade Tree/Sidewalk Reimbursement program for residential property owners who have removed the shade trees and repaired the damage sidewalks at their own expense on or after January 1, 2018.

**RESOLUTION OF THE TOWNSHIP COUNCIL OF THE TOWNSHIP OF MOUNT
OLIVE OPPOSING THE PROPOSED RATE INCREASES TO THE STATE
HEALTH BENEFITS PROGRAM**

WHEREAS, the State Health Benefits Program (SHBP), governed by N.J.S.A. 52:14-17.25 et seq., offers medical, prescription drug, and dental coverage to qualified state and participating local government public employees, retirees, and eligible dependents; and

WHEREAS, all SHBP plans are self-funded, meaning that the money paid out for benefits comes directly from a SHBP account funded by the state, participating local employers, and member premiums; and

WHEREAS, the Division of Pensions and Benefits is responsible for the daily administrative activities of the SHBP, and the State Health Benefits Commission is the executive organization responsible for overseeing the SHBP; and

WHEREAS, the State Health Benefits Commission, comprised of state officials and union representatives, annually considers the calendar year premium levels for the Local Government Employer Group of the SHBP based on recommendations found in the Rate Setting Recommendation Analysis of the Local Government Employee Group; and

WHEREAS, the proposed rate increases for the 2023 Local Government Employer Group included a 24% increase for Active Medical, a 3.7% increase for Active Pharmacy, a 15.6% increase in Early Retiree Medical, and a 0.7% increase for Medicare. Early Retiree Pharmacy has a 5.7% decrease; and

WHEREAS, the Department of Treasury has reported that rates for active members and early retirees would likely be increased between 12% - 20% across the various plans for the upcoming year; and

WHEREAS, such proposed exorbitant rate increases will fall upon the local property taxpayer along with the local public employees at a time where there is record inflation; and

WHEREAS, the proposed premium increase for most active employees will take thousands more out of their paychecks annually and lead to huge costs for local governments that will translate into higher property tax bills for struggling families; and

NOW, THEREFORE, BE IT RESOLVED, that the Township Council of the Township of Mount Olive in the County of Morris does call upon the State Health Benefit Commission to reject the proposed rate increase; and

BE IT FURTHER RESOLVED, the Township Council of the Township of Mount Olive in the County of Morris urges the legislature to adopt legislation establishing an investigative committee with subpoena power to investigate the provenance of the proposed SHBP rate increases and delay the vote on any change to the rate for the 2023 Local Government Employer Group until a full investigation has been concluded; and

BE IT FURTHER RESOLVED, that the Township Council of the Township of Mount Olive in the County of Morris urges the legislature to adopt legislation expanding the composition of the State Health Benefits Commission to include representatives from both municipal and county governments and further urge the legislature to investigate allegations that an attempt to recover \$34 million which was paid to Horizon for a failed program to lower insurance costs was not carried through; and

BE IT FINALLY RESOLVED, that a copy of this resolution be forwarded to Governor Murphy, State Treasurer Muoio, Senate President Scutari, Assembly Speaker Coughlin, Senator Anthony Bucco, Assemblywoman Aura Dunn, Assemblyman Brian Bergen, Assemblyman Christian Barranco, and the New Jersey State League of Municipalities.

RESOLUTION OF THE TOWNSHIP OF MOUNT OLIVE, COUNTY OF MORRIS, STATE OF NEW JERSEY, AUTHORIZING THE SETTLEMENT OF NEW JERSEY DISTRICT COURT LITIGATION ENTITLED “HOWARD SCHIER V. MOUNT OLIVE TOWNSHIP AND MOUNT OLIVE PLANNING BOARD,” CIVIL ACTION NO. 2:19-CV-17705(JMV)(LDW).

WHEREAS, Plaintiff Howard Schier, the owner of 6 Red Maple Lane in the Township of Mount Olive (the “Property”), filed a lawsuit in the Federal District Court for the District of New Jersey, Civil Action No. 2:19-CV-17705(JMV)(LDW), naming the Township of Mount Olive and the Mount Olive Township Planning Board as defendants, and alleging various federal and State claims (the “Litigation”); and

WHEREAS, the Litigation generally concerns allegations as to the Federal Fair Housing Act and federal and State Civil Rights Claims; and

WHEREAS, the parties to the Litigation now wish to amicably resolve the claims by way of a proposed settlement agreement, which imposes certain conditions as to Plaintiff’s use of the Property; and

WHEREAS, the Mayor and the Township Attorney have determined that the Settlement Agreement is in the best interest of the Township and recommend authorizing same; and

NOW, THEREFORE, BE IT RESOLVED by the Township Council of the Township of Mount Olive, County of Morris, State of New Jersey, as follows:

1. The Mayor is hereby authorized and directed to execute a Settlement Agreement in the matter of Howard Schier vs. the Township of Mount Olive et al., Civil Action No. 2:19-CV-17705(JMV)(LDW) resolving the said litigation, which Settlement Agreement is attached hereto and incorporated herein.
2. The terms and conditions of the Settlement Agreement remain subject to formal review and approval by the Mount Olive Township Planning Board as to the relevant land-use portions thereof, and shall be considered and voted on by the Planning Board at a “Whispering Woods” hearing, on prior notice to the public, tentatively scheduled for August 18, 2022; during said hearing Plaintiff Howard Schier will make application to the Planning Board for use variance relief and seek a reasonable accommodation from the Township’s Land Use ordinances, and which the public shall have the opportunity to be heard and participate in accordance with the Planning Board’s internal rules as to the orderly running of its public meetings and hearings.
3. A copy of this resolution and the Settlement Agreement shall be on file with the Township Clerk for public inspection and review.

4. This resolution shall take effect immediately.

Joe Nicastro, Council President

FINAL SETTLEMENT AGREEMENT

This Final Settlement Agreement ("Settlement Agreement") is made on this ____ day of _____, 2022 by and between the Plaintiff, Howard Schier and Red Maple House, LLC, d/b/a Cambridge Recovery Sober Living, a limited liability company registered in the State of New Jersey (collectively or individually, "Plaintiff") and Mount Olive Township ("Township") and Mount Olive Planning Board ("Board") (collectively the "Defendants") (each a "Party" and collectively, the "Parties").

BACKGROUND RECITALS

1. Plaintiff is the owner of the property located at 6 Red Maple Lane, Block 4600, Lot 6.12 in the Township of Mount Olive (the "subject property").
2. The subject property is located in an R-1 residential zone where single-family residences are permitted uses. See Township Land Use Ordinance ("Ordinance") Section 550-101(E)(1)(a).
3. Plaintiff, through the entity which Schier has a controlling interest, Red Maple House, LLC, utilizes the subject property as a licensed Cooperative Sober Living Residence ("CSLR") as defined by N.J.A.C. 5:27-2.1 of the Department of Community Affairs' Regulations Governing Rooming and Boarding Houses, N.J.A.C. T. 5, Ch. 27, for men in recovery from drugs and alcohol. Plaintiff first became licensed as a CSLR on September 13, 2018.
4. Prior to Plaintiff becoming licensed as a CSLR, the Township Zoning Officer received complaints from concerned residents as to Plaintiff's use of the subject property. The Township Zoning Officer then investigated the matter and discovered marketing materials on Plaintiff's website (<https://www.cambridgerecoveryestates.com>), wherein Plaintiff advertised to the public that the property as a temporary living facility and a self-described a "halfway house" for persons involved in alcohol and drug recovery programs. As a result, on May 22, 2018 the Township Zoning Officer served Plaintiff with formal notice of an "unauthorized use," which explained that that the conversion of the single-family dwelling at the subject property to a "halfway house" is not a permitted principal nor conditional use in the R-1 Residential Zone District applicable to the subject property, and requested Plaintiff bring the property into conformance with the Township's Land Use Ordinances.
5. On or about June 1, 2018, Plaintiff, through his counsel, submitted an application to the Board appealing the determination of the Zoning Officer, and sought an interpretation of the Township's Ordinance that the subject property's use as a CSLR falls within the definition of a "detached dwelling" pursuant to N.J.S.A. 40:55D-70(b) and therefore permitted in the R-1 residential zone. Alternatively, if the Board determined that the use is not within the ambit of a "detached dwelling" Plaintiff sought use variance relief to operate a CSLR at the subject property pursuant to N.J.S.A. 40:55D-70(d)(1) (collectively, the "Application").
6. The Board bifurcated the Application to address the appeal and request for interpretation first, considered the Application at public hearings which were held on September 13, 2018, March 21, 2019, and June 13, 2019 (collectively, the "Hearings").

7. Through the Application, Plaintiff requested that if the Board determined that the proposed use is not a permitted use, that the Defendants provide a reasonable accommodation to afford persons recovering from addiction, a recognized handicap under the Federal Fair Housing Amendments Act, an equal opportunity to reside at the subject property located in a single-family zone.
8. Over the course of the Hearings, Plaintiff testified and presented witnesses in support of the Application and the Board heard testimony from its professionals and the public.
9. The Board voted to unanimously deny the Application for interpretation on September 13, 2018, and denied Plaintiff's use variance application on June 13, 2019. The Board's findings of fact and decisions on the bifurcated Application were memorialized in Resolution 18-18 and Resolution 18-18 (collectively, the "Resolutions").
10. On September 6, 2019, Plaintiff filed a Verified Complaint in the United States District Court of the District of New Jersey (Civil Action No. 2:19-CV-17705) alleging, amongst other claims, that Defendants' actions, including the Board's denials constituted a violation of federal and state civil rights legislation including the federal Fair Housing Amendments Act (the "Litigation").
11. The Parties desire, without any admission of liability or wrongdoing whatsoever, to avoid the burden, expense and uncertainty associated with the Litigation, and for other good and valuable consideration, the sufficiency and adequacy of which is hereby acknowledged, to fully and finally settle and forever resolve all disputes, claims and causes of action that have been made or could have been made or brought in the Litigation up to the Effective Date (as that term is defined below) of this Settlement Agreement, subject to, and except as provided by, the terms and conditions set forth below.
12. The Parties wish to memorialize the terms of their agreement and to do so in this Settlement Agreement and by signing below, each acknowledge they are entering into this Settlement Agreement voluntarily and after consultation with counsel of their choosing.

TERMS AND CONDITIONS

1. **Recitals.** The foregoing Recitals are expressly incorporated herein as part of the Settlement Agreement, and the Parties confirm and represent to one another that said Recitals are true and correct to the best of their knowledge, information, and belief.
2. **Acknowledgment of Settlement.** The Parties acknowledge that: (i) the consideration set forth in this Settlement Agreement, which includes, but is not limited to, the Monetary Payment in Section 5 and the Non-Monetary Relief in Section 6 is in full settlement of all claims or losses of whatsoever kind or character that Plaintiff has or may ever have had, against the Defendants, including by reason of the Litigation; and (ii) by signing this Settlement Agreement, and accepting the consideration provided herein and the benefits of it, Plaintiff is giving up forever any right to seek further monetary or other relief from the other Party for any acts or omissions up to and including the Effective Date, as set forth in Section 20, including, without limitation, the Litigation.

3. **General Release.** Plaintiff Howard Schier, for himself and on behalf of his heirs, next of kin, beneficiaries, assigns, executors, executrices, administrators, administratrices, Red Maple House, LLC, Cambridge Recovery Sober Living, Red Maple House, Inc., HMS Solutions, LLC, and his and their respective other businesses, partnerships, proprietorships, corporations, companies, including any businesses operating under any legal alternative name, in which Plaintiff does hold or has ever held any interest in, and each of his and their respective predecessors, successors, designees, stakeholders, direct and indirect parent companies, direct and indirect subsidiary companies, companies under common control with any of the foregoing, affiliates, insureds, insurers, lienholders, creditors, trustees, legal representatives, and assigns, and his, its and their past, present, and future officers, directors, shareholders, interest holders, members, partners, attorneys, agents, employees, managers, representatives, assigns, and successors-in-interest, and all persons acting by, through, under, or in concert with them, and each of them jointly severally and/or individually (collectively referred to herein as "Plaintiff Releasors"), hereby forever release, waive and discharge the Township of Mount Olive, the Township of Mount Olive Planning Board, the Township Council of the Township of Mount Olive, the Township Zoning Officer and Planner, individually and in his official capacity, and the Township of Mount Olive and/or the Township of Mount Olive's past and present governmental boards, bodies, commissions, governmental divisions and subdivisions, departments and units, and each of its and their respective past and present elected and/or appointed officials, officers, mayors, council members, board members, members, partners, administrators, executives, managers, representatives, employees, agents, attorneys and other professionals, insurers and insurance carriers, interest holders, both individually and in their official capacities, and all persons acting by, through, under or in concert with them, and each of them, jointly, severally and collectively (hereinafter collectively "Defendant Releasees") for and from any and all known and unknown claims, counts, charges, complaints, grievances, liabilities, obligations, promises, agreements, controversies, demands, damages, actions, causes of action, suits, rights, costs, losses, debts, penalties, fees, wages, medical costs, injuries, pain and suffering, mental anguish, emotional distress, expenses (including attorneys' fees and costs actually or allegedly incurred), and punitive damages, and any/or other legal or equitable relief of any kind or nature whatsoever, whether known or unknown, foreseen or unforeseen, accrued or unaccrued, matured or unmatured, suspected or unsuspected, arising in law or equity, which Plaintiff and/or Plaintiff Releasors has, have or could have brought against the Township, the Board and/or Defendant Releasees, jointly, severally and/or individually, whether or not apparent or yet to be discovered or which may hereafter develop, for or based upon any act, action, omission, inaction, transaction, occurrence, event, contract or any other thing whatsoever, including but not limited to such actions and/or inactions and omissions alleged or arising from the Litigation and the claims/counts alleged therein, from the beginning of time up to and through the Effective Date of this Agreement.

This Agreement further resolves any claim for relief that is, or could have been alleged, by Plaintiff and/or Plaintiff Releasors against Defendants the Township of Mount Olive, the Mount Olive Planning Board and Defendant Releasees, no matter how characterized, including, without limitation, compensatory damages, damages for breach of contract, bad faith damages, reliance damages, liquidated damages, damages for humiliation and embarrassment, punitive damages, costs, and attorneys' fees and costs related to or arising from the Litigation.

4. **No Outstanding or Known Future Claims or Causes of Action.** Each Party affirms that it has not filed with any governmental agency or court any type of action or report against the other Party, other than the Litigation, and currently knows of no existing act or omission by the other Party that may constitute a claim or liability excluded from the releases herein.

5. **Monetary Payment.** In consideration of the release set forth above, the Defendants agree to pay to the Plaintiff and his/its counsel the total sum set forth below:

(a) Defendant Township of Mount Olive shall pay a total of \$355,000 to Plaintiff, which amount shall fully resolve and satisfy all of Plaintiff's claims for monetary damages, inclusive of all claims for attorneys' fees and costs, in the Litigation, and any other claims for monetary damages and non-monetary relief that have been made or could have been made by Plaintiffs against Defendants, up to and including the Effective Date.

(b) Payment will be in the form of Certified Funds (or similarly guaranteed funds) or via wire transfer.

(c) Payment is conditioned on formal approval of this Agreement by the Township Council of the Township of Mount Olive, execution of this Agreement by Plaintiff, and ratification of this Agreement by the Board following notice and a public hearing in accordance with Section 6 below. Prior to payment and any hearing before the Board, Plaintiff shall execute and return to Defense Counsel (i) this Agreement; (ii) an agreed upon stipulation of dismissal of the Litigation with prejudice (which shall be held in escrow by Defense counsel and will not be filed until completion of the Board's approval as contemplated under Section 6(a) below); and (iii) Form W-9 and Child Support Judgment Search,

(d) Following Plaintiff's execution and return of this Agreement and the items listed with 5(c)(i)-(iii) above, and the Board's adoption of a memorializing resolution of approval, Defendant Township of Mount Olive shall be responsible to pay the entire sum of \$355,000 to Plaintiff's counsel within fourteen (14) days, excluding weekends and holidays from the Board's adoption of a memorializing resolution as contemplated by Section 6(a) wherein the Board ratifies the terms and conditions of this Agreement

6. **Non-Monetary Relief.** In consideration of the release set forth above, Plaintiff Howard Schier and Red Maple House, LLC, and the Township of Mount Olive agree, and the Board tentatively agrees to the following non-monetary conditions, subject to public presentation, a public hearing thereon, and a public vote by the Board as follows:

(a) Subject to the Board's approval and ratification of this agreement after a public hearing held on proper notice in compliance with requirements of the Municipal Land Use Law, the Open Public Meetings Act, and New Jersey legal precedent requiring that the terms of the proposed settlement of any land use dispute be subject to notice, a public hearing and public comment no differently than if the terms had been presented in an initial application for land use approval (commonly known as a "Whispering Woods hearing"); at which time and place the Board shall consider granting Plaintiff a reasonable

accommodation from the Township's zoning and land use ordinances under the Federal Fair Housing Amendments Act, a use variance pursuant to N.J.S.A. 40:55D-70d(1) to permit use of the subject property as a Cooperative Sober Living Residence as defined by N.J.A.C. 5:27-2.1. The Board's action shall be memorialized in a resolution as required by N.J.S.A. 40:55D-10g the Municipal Land Use Law.

(b) The maximum number of persons residing in the CSLR at the subject property at any given time shall not exceed seven (7) persons, inclusive of six (6) residents and either one (1) operator or Howard Schier as required by N.J.A.C. 5:27-2.1 et seq. If at the time of execution of this agreement, the total number of current residents exceed six (6) occupants such that the total number of persons occupying the subject property exceeds seven (7), Plaintiff shall not accept or admit any new residents for occupancy until the number of current resident occupants is reduced to six (6) residents and one (1) operator by attrition. However, in no event shall the total number of occupants exceed seven (7) persons after a period of ninety (90) days from when the Zoning Board of Adjustment approves of the Settlement regardless of the date a confirmatory resolution is adopted. The seven (7) person occupancy limit shall continue to run with the land and shall be binding upon Plaintiff Howard Schier, Red Maple House, LLC, and each of his/its successors-in-interest and/or title and/or assigns including any creditors, lienholders, and mortgagors and/or holders of title acquired by foreclosure, short-sale and/or sheriff's sale for so long as the Property is utilized as a CSLR.

(c) Howard Schier and Red Maple House, LLC is/are required to at all times maintain all CSLR owner and operator licenses applicable for the subject property as current and in good standing with the New Jersey Department of Community Affairs (DCA), Bureau of Rooming and Boarding House Standards or any successor State Agency, Bureau, Department, Office, and/or Division. Howard Schier shall produce a current copy of such owner and operator licenses to the Township initially at the time of execution of this agreement, and thereafter, annually within ten (10) business days of issuance of any and all license renewal by the DCA or other applicable State Agency, Bureau, Department, Office and/or Division. If Howard Schier and Red Maple House, LLC shall fail to produce the license within the time period outlined herein, it shall not constitute an automatic default of this Agreement. The Township may request all updated licenses at any time, which shall be provided by Howard Schier and Red Maple House, LLC within five (5) business days after the request is made.

(d) Each operator of the CSLR at the subject property must at all times maintain a current and valid CSLR operator license with the DCA. Upon execution of this Agreement, Howard Schier shall be required within five (5) business days to provide to the Township with the name and contact information for the current operator. Thereafter, Howard Schier shall be required to keep the contact information for the operator on file with the Township current. If at any time the operator changes, Howard Schier shall within five (5) business days provide updated contact information for the operator to the Township. When the contact information for the operator is provided to Township, it shall be accompanied by an acknowledgment in a form annexed hereto as Exhibit A setting forth the obligations of the operator.

(e) Each operator shall be required to pass a Criminal History Background Check and shall not have a disqualifying criminal conviction. If the operator is recovering from drug/alcohol addiction, he/she shall be required to abstain from the use of alcohol and drugs, and shall currently be leading a drug and alcohol-free sober lifestyle for at least one (1) continuous year prior to becoming operator. Each operator shall not have a disqualifying criminal conviction, exclusive of non-violent drug-related offenses. Each operator shall be qualified as a Certified Peer Recovery Specialist, or be in the process of training to become a Certified Peer Recovery Specialist.

(f) A gated stockade privacy fence of 6 feet in height shall be installed by Plaintiff around the entire rear yard of the subject property at the cost of Plaintiff within 90 days of issuance of a memorializing resolution by the Board authorizing the settlement.

(g) Howard Schier and the operator will ensure that each resident follow the CSLR House Rules, requiring residents (i) to never consume, possess or be under the influence of drugs and/or alcohol, either on or off premises; (ii) to be sober and maintain a drug and alcohol-free lifestyle; (iii) to never store, transport, buy, sell, gift or transfer drugs and/or alcohol indirectly or directly, whether on or off premises; (iv) to attend addiction/recovery meetings, such as Northern New Jersey Alcoholics Anonymous, Narcotics Anonymous, and related organizations no less than at least twice weekly; and (v) for residents under age 65, to be either gainfully employed, actively seeking gainful employment, actively enrolled in a GED program, actively enrolled in a job training program, actively enrolled in a post-secondary education school, or any combination of the above, , unless medically incapable of doing so as determined by a licensed medical professional.

(h) Plaintiff shall establish mandatory admissions criteria for prospective residents, which such criteria shall require each prospective resident to successfully complete an inpatient rehabilitation program with discharge occurring no more than three (3) calendar days preceding admission to the CSLR or direct relocation from another CSLR.

(i) Plaintiff will maintain (or amend if necessary) his/its House Rules of the CSLR to state that any resident shall be immediately removed (within approximately 1 hour) upon Plaintiff or the operator learning that the resident, while residing at the subject property, was charged during that period of residency with any of the following:

- (i) a petty disorderly persons offense or greater involving property located in the development where the Home is located or a petty disorderly persons offense or greater involving a criminal act against the person;
- (ii) a petty disorderly persons offense or greater involving a resident or guest of a resident involving a criminal act against the person or property;
- (iii) a petty disorderly persons offense or greater involving alcohol or drugs;
or
- (iv) driving while intoxicated.

(j) Plaintiff shall conduct criminal history checks of all applicants who apply to be residents of the CSLR. Plaintiff shall maintain the results of such criminal history checks only for those persons accepted as a resident of the CSLR.

(k) No prospective resident or actual resident shall be permitted to occupy the subject property if a criminal history check reveals that the prospective resident or actual resident is subject to a lifetime registration requirement on a state sex offender registry, or has a record of criminal conviction for: (i) drug-related criminal activity for the manufacture or production of methamphetamine on the premises of federally assisted housing; (ii) murder; (iii) aggravated sexual assault; (iv) kidnapping; (v) arson; (vi) human trafficking, (vii) sexual assault; (viii) endangering the welfare of a child in violation of N.J.S.A. 2C:24-4(b)(3); (ix) any crime that requires lifetime state sex offend registration; (x) any conviction of any 1st degree indictable offense, or release from prison for that offense, within the past six (6) years; (xi) any conviction for a 2nd or 3rd degree indictable offense, or release from prison for that offense, within the past four (4) years, (xii) any conviction for a 4th degree indictable offense, or release from prison for that offense, within the past 1 year, so long as the offense does not relate to a non-violent drug offense.

(l) Consistent with law, Plaintiff shall randomly conduct drug tests of residents. Plaintiff is not obligated to maintain any results of such tests and Defendants shall have no right to review the results.

(m) Plaintiff will amend the House Rules of the subject property to provide that it may withdraw an offer or decline to accept an applicant based upon his criminal record or open charges upon a finding in the Plaintiff's sole discretion that rejecting the applicant is necessary to ensure the safe and efficient operation of the subject property as a CSLR.

(n) The House Rules shall state that any resident who, while residing at the subject property, is found to have used or be in possession of alcohol or drugs (non-prescribed) shall be immediately removed from the subject property. Plaintiff shall have four hours to have the resident removed to ensure the resident's family can be contacted and the resident can be referred to family or treatment. The resident may be referred to treatment and if he successfully completes said treatment, the resident may return to the subject property in the Plaintiff's discretion.

(o) On street parking shall comply with the Residential Site Improvements Standards ("RSIS"). However, if the RSIS allows for two or more on-street spaces, Plaintiff agrees to limit the number of vehicles parking on-street to two (2) vehicles. The on-street parking spaces for such vehicles shall be located directly in front of the subject property, to the immediate left-and right-sides of the driveway leading to the subject property. Vehicles shall be parked on-street in a manner that allows for safe egress/ingress to-and-from the subject property, safe traverse of vehicular and pedestrian traffic along Red Maple Lane, and shall not otherwise impede or obstruct the orderly flow of traffic. In the event of a snow storm and/or scheduled/emergency roadwork, Plaintiff shall promptly arrange for alternative off-street parking at another location, and shall cooperate with the Township so that the roadwork, snow clearing/plowing and salting can be appropriately and properly performed in a timely manner.

(p) The House Rules shall require residents to abide by a reasonable curfew of 11 p.m., which shall be subject to reasonable modification in Plaintiff's discretion to meet the unique needs of a specific resident for the resident's work demands or family obligations.

(q) The Township will not unreasonably interfere with the use and enjoyment of the subject property by Plaintiff or any resident. However, Plaintiff, the operator(s) and all residents each recognize and understand that they have an obligation to be good neighbors and members of the community and shall not engage in any conduct that violates any State and local laws, including conduct constituting any noise violation or any breach of peace and good order of the community.

(r) If any appeal or challenge is filed by any non-party to this Settlement Agreement with respect to this Settlement Agreement, including any appeal or challenge to the public hearing referenced in Section 6(a) or the enforcement of any conditions herein, Defendant agrees to defend this Settlement Agreement at its sole cost and expense with respect to any appeal or challenge to the conditions herein or the enforcement thereof, and/or any decision rendered following the hearing referenced in Section 6(a), with Plaintiff's full cooperation. The Parties further agree to continue to implement the terms of this Settlement Agreement unless and until an appeal is successful. This provision shall not apply if Plaintiff is named in any lawsuit not related to the Settlement Agreement.

7. **Enforcement.** In consideration of the release set forth above, the Parties agree to the following enforcement mechanisms with respect to this Settlement Agreement:

(a) In the event of any dispute, claim, question, or disagreement arising from or relating to this agreement or the breach thereof, the parties hereto shall use their best efforts to resolve the dispute, claim, question, or disagreement. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both parties.

(i) The Township shall designate an official or employee whom Plaintiff may consult in the event Plaintiff has a question or disagreement arising from or relating to this agreement as set forth above.

(b) If any party believes that a breach of this Settlement Agreement has occurred, the non-breaching party must advise the alleged breaching party by certified mail of the violation pursuant to Section 12 below, with specificity. The Parties shall meet within 10 days of the receipt of the notice to discuss the alleged noncompliance, and shall be allowed 30 days to cure the alleged violation upon receipt of the notice.

(c) Any controversy or claim arising out of or relating to this Settlement Agreement, including an alleged breach thereof which has not been cured, shall be submitted to and resolved by final and binding arbitration governed by the New Jersey Arbitration Act and any arbitration shall be held in Mount Olive, New Jersey, unless the Parties mutually agree to another location.

(d) Each Party shall be responsible to share equally in and to each pay fifty percent (50%) of the costs of arbitrator fees and expenses, and any other costs unique to the arbitration hearing, excluding fees and costs of any experts and attorneys' fees. With respect to attorney's fees and expert costs, each party shall be solely responsible for its/his own costs and fees incurred for attorneys and expert fees and costs, and shall not be responsible for any attorneys' fees and expert costs incurred by the other party.

(e) Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy under this agreement, seek from the District Court of New Jersey any interim or provisional relief that is necessary to protect the rights or property of that party, pending the establishment of the arbitral tribunal or pending the arbitral tribunal's determination of the merits of the controversy.

(f) Consistent with the expedited nature of arbitration, each party will, upon the written request of the other party, promptly provide the other with copies of documents relevant to the issues or any defense. Any dispute regarding discovery, or the relevance or scope thereof, shall be determined by the arbitrator which determination shall be conclusive. All discovery shall be completed within 35 days following the appointment of the arbitrator(s). The Plaintiff shall not be obligated to disclose any resident information protected as confidential under any applicable federal or New Jersey law unless ordered to do so by the arbitrator. In the event any resident information is ordered to be disclosed, it shall only be disclosed under a confidentiality order and with redactions to be reviewed by the arbitrator in camera, with sufficient detail provided to the Township to enable the Township to determine the nature and extent of any claimed privilege or protection against disclosure.

(g) At the request of a party, the arbitrator(s) shall have the discretion to order examination by deposition of witnesses to the extent the arbitrator deems such additional discovery relevant and appropriate. All objections are reserved for the arbitration hearing except for objections based on privilege and proprietary or confidential information.

(h) Any award in an arbitration initiated under this clause shall be limited to monetary damages, injunctive relief, and specific performance/enforcement of the term(s) and conditions of this Settlement Agreement. In the event of a willful violation of the terms and conditions of this Agreement by Plaintiff for failure to abide by the residency occupancy limit, or the requirement that residents maintain a drug and alcohol-free environment at the subject property, shall be grounds for liquidated damages up to the amount of the agreed upon settlement sum set forth herein at Section five (5). However, in no event shall the use variance referenced in Section 6(a) be revoked or rescinded.

(i) Any party may ask a court to stay any court proceeding to compel arbitration under this Settlement Agreement and to confirm, vacate, or enforce an arbitration award.

8. **Right of First Refusal and Option to Purchase.** Howard Schier hereby grants to the Township the right of first refusal and option to purchase the subject property. If at any time Howard Schier decides to sell the subject property, seeks to transfer title to the subject property,

or receives a bona fide offer for the sale of the subject property, Howard Schier agrees not to accept the offer to sale, transfer title, enter into a contract of sale, or otherwise sell the subject property without first giving the Township the option to acquire and purchase the subject property upon the same terms and conditions contained in such bona fide offer of purchase. Howard Schier agrees to give the Township notice in writing by registered mail of the terms and conditions of such offer. The Township shall have sixty (60) calendar days after the date of receipt of such notice from Howard Schier to exercise the Township's right of first refusal and option to purchase the subject property upon the same terms and conditions as those proposed to Howard Schier by the prospective purchaser of the subject property. If the Township fails exercise its right of first refusal and enter into a bona fide contract upon the same terms and conditions as those proposed to Howard Schier by the prospective purchaser of the subject property, Howard Schier shall have the right, and shall be at liberty to make a contract for the sale of the subject property to the prospective purchaser.

9. **Non-Disparagement.** The Parties mutually agree not disparage or encourage others to disparage any other party to this agreement, including, but not limited to, any current or former resident, employees, members, agents, board member, officers, directors, stockholders, attorneys, attorneys-in-fact, agents, servants, representatives, employees, subsidiaries, affiliates, member companies, partners, predecessors and successors in interest, and assigns and all other persons, firms or corporations with whom any of the former have been, are now, or may hereafter be affiliated and their heirs, assigns and successors.

For purposes of this paragraph, a disparaging statement or representation is any communication which, if publicized to another, would cause or tend to cause the recipient of the communication to question the business condition, integrity, competence, or good character of the person or entity to whom the communication relates.

Nothing in this Section shall prevent any party from publicly stating that the Parties have "amicably resolved all differences."

10. **Attorney's Fees and Costs.** Except as otherwise provided herein, it is the intention of the Parties that there shall be no fee shifting as a result of the Litigation or entry into this Settlement Agreement, and Plaintiff and Plaintiff's legal representatives hereby agree that they shall not seek attorneys' fees, professional fees, and costs of suit from the Township, the Board and Defendant Releasees.

11. **Tax Consequences.** Defendants make no representations or warranties regarding any federal, state, or local tax consequences of the Settlement Payment. Defendants shall not be responsible for any such tax liability, interest, or penalty incurred by any Plaintiff which in any way arises out of or is related to the Settlement Payment. Plaintiffs acknowledge that they have not relied upon any advice from Defendants or its agents, employees or representatives, concerning the taxability of the Settlement Payment. Plaintiffs agree to hold harmless and indemnify Defendants from any tax, withholding liability, fine, or penalty that may be incurred as a result of the Settlement Payment, and expressly agree to assume all tax responsibility for such payment.

12. **Fair Construction.** The Parties acknowledge this Settlement Agreement is the product of joint negotiation and input by and among the Parties' and as such the language of all parts of this

Settlement Agreement shall, in all cases, be construed as a whole, according to its fair meaning, and not strictly for or against any party.

13. **Choice of Law and Forum Selection.** The Parties agree that New Jersey law shall govern the interpretation and enforcement of this Settlement Agreement. Any dispute arising out of this Settlement Agreement shall be resolved by arbitration as set forth in Section 7. In the event a party has to seek court support, including but not limited to the compelling of arbitration or in enforcing or reviewing an arbitration award, the litigation shall be filed in the District Court of New Jersey and the Parties herein acknowledge their consent to the jurisdiction of said court by executing this Settlement Agreement. Furthermore, the Stipulation of Dismissal shall provide that the District Court is retaining jurisdiction to enforce the terms of this Settlement Agreement.

14. **Notice.** Any notices or communications required to be given under this Settlement Agreement shall be made in writing, signed by or on behalf of the party giving such notice or communication, and shall be hand delivered or sent, postage prepaid, by Federal Express or similar overnight delivery, or by Registered or Certified Mail, Return Receipt Requested, with a copy by email if feasible, as follows:

15. **Acknowledgement.** This Settlement Agreement is entered into without force or duress, in the free will of the Parties, and for consideration. All Parties acknowledge that they have not entered into this Settlement Agreement in reliance upon any inducement or promise not otherwise set forth herein. The Parties have consulted with counsel regarding the terms of this Settlement Agreement and have resolved any questions they may have had as to the meaning, effect or interpretation of this Settlement Agreement. The decision of the Parties to execute this Settlement Agreement is a fully informed decision.
16. **Integration.** This Settlement Agreement comprises the entire agreement between the Parties and supersedes any and all prior oral and written agreements between them except that upon completion of the hearing described in 6(a) above any Resolution issued by the Board shall be deemed incorporated by reference as if same is fully integrated as part of this Settlement Agreement. This Settlement Agreement may not be altered, amended, or modified except by a further writing signed by the Parties. This Settlement Agreement shall be binding upon and inure to the benefit of the executors, administrators, personal representatives, heirs, successors and assigns of each.
17. **Waiver.** No waiver of a breach of any provision of this Settlement Agreement shall be construed to be a waiver of any breach of any other provision of this Settlement Agreement or of any succeeding breach of the same provision. No delay in acting with regard to any breach of any provision of this Settlement Agreement shall be construed to be a waiver of such breach.
18. **Authority to Settle.** Each Party represents and warrants that the person signing this Settlement Agreement has authority to bind the Party and enter into the Settlement Agreement on behalf of said Party.
19. **Headings.** The headings used in the foregoing Sections are for convenience only and shall not be used in the interpretation of this Settlement Agreement.

20. **Additional Documents.** All parties agree to cooperate fully and execute any and all supplementary documents, including a Stipulation of Dismissal, and to take all actions which may be necessary or appropriate to give full force and effect to the basic terms and intent of this Settlement Agreement.

21. **Effective Date.** The Effective Date of this Settlement Agreement is the date upon which all Parties have signed the Settlement Agreement and as ratified by the Board within a memorializing resolution, as set forth in Section 6 above.

22. **Signatures.** This Settlement Agreement may be signed in counterparts, each of which shall be deemed an original but all of which when taken together shall constitute one and the same instrument. Electronic signatures are acceptable.

IN WITNESS WHEREOF, and intending to be legally bound hereby, the Parties hereto have caused this Settlement Agreement to be executed as of the date(s) set forth below.

ORD.#22-2022

AN ORDINANCE OF THE TOWNSHIP OF MOUNT OLIVE, IN THE COUNTY OF MORRIS AND STATE OF NEW JERSEY, AMENDING CHAPTER 302 PROPERTY MAINTENANCE TO ESTABLISH ARTICLE IV VACANT AND ABANDONED PROPERTIES, PROPERTY REGISTRATION PROGRAM, OF THE TOWNSHIP CODE

WHEREAS, pursuant to N.J.S.A. 40:48-1 et seq. the New Jersey Legislature delegated to municipalities the responsibility to promulgate regulations designed to promote the public health, safety, and welfare of its citizens; and

WHEREAS, properties in foreclosure proceedings can involve properties that are vacant and abandoned or have an increased risk of becoming vacant and abandoned during the foreclosure proceeding; and

WHEREAS, vacant and abandoned properties in foreclosure create a greater risk of blight and can create a wide range of problems for the communities in which they are located. These problems can include fostering criminal activity, creating public health problems, depressing neighboring property values and reducing revenues for municipalities, and otherwise diminishing the quality of life for residents and business operators in those areas; and

WHEREAS, because of the increased risk of blight created by properties in foreclosure, it is important that the Township possess tools to identify such properties, monitor their status, and mitigate the risk that they become vacant and abandoned and, if vacant and abandoned, lead to blight; and

WHEREAS, the State of New Jersey has enacted statutes intended to assist municipalities in addressing such risks, including requiring that municipalities receive notice of the initiation of a foreclosure action in court in connection with residential properties and authorizing a public officer in a municipality to take certain action against properties that have been abandoned for more than six months; and

WHEREAS, a property registration program provides a valuable tool to confronting the risk of blight created by properties on which foreclosure proceedings have been initiated and such properties that become vacant and abandoned; and

WHEREAS, it is in the best interest of the Township to operate such a program to address the risk of blight; and

WHEREAS, the Township Council has determined that it is necessary and appropriate, and in the best interest of the health, safety and welfare of the Township of Mount Olive's residents and members of the public who visit, travel, or conduct business in the Township of Mount Olive to amend the Township of Mount Olive's Code regarding vacant and abandoned properties; and

NOW, THEREFORE, BE IT ORDAINED by the Township Council of the Township of Mount Olive, in the County of Morris and State of New Jersey, as follows:

SECTION 1. Chapter 302 Property Maintenance is hereby amended to add a new article to read as follows:

ARTICLE IV VACANT AND ABANDONED PROPERTIES PROPERTY REGISTRATION PROGRAM

§302-53 Definitions

The following terms, wherever used herein or referred to in this Code, shall have the respective meanings assigned to them unless a different meaning clearly appears from the context:

CREDITOR

A mortgagee or an agent or assignee of a mortgagee, such as the servicer, who has filed a complaint in the Superior Court seeking to foreclose upon a residential or commercial mortgage. If the entity seeking to foreclose upon the residential or commercial mortgage changes as a result of an assignment, transfer, or otherwise after the filing of the foreclosure complaint in the Superior Court, the new entity shall be deemed the Creditor for purposes of this section. For purposes of this section, a Creditor shall not include the State, a political subdivision of the State, a State, county, or local government entity, or their agent or assignee, such as the servicer.

RESPONSIBLE PARTY

The title holder of a vacant and abandoned property or a Creditor responsible for the maintenance of a property.

STREET ADDRESS

An address at which a natural person who is the Responsible Party or an authorized agent actually resides or actively uses for business purposes, and shall include a street name or rural delivery route.

VACANT AND ABANDONED PROPERTY

Any residential or commercial building which is not legally occupied by an owner, a mortgagor or tenant, which is in such condition that it cannot be legally reoccupied, and two or more of the conditions in exist:

- (1) Overgrown or neglected vegetation;
- (2) The accumulation of newspapers, circulars, flyers, or mail on the property;
- (3) Disconnected gas, electric, or water utility services to the property;
- (4) The accumulation of hazardous, noxious, or unhealthy substances or materials on the property;
- (5) The accumulation of junk, litter, trash, or debris on the property;
- (6) The absence of window treatments such as blinds, curtains, or shutters;
- (7) The absence of furnishings and personal items;
- (8) Statements of neighbors, delivery persons, or government employees indicating that the property is vacant and abandoned;
- (9) Windows or entrances to the property that are boarded up or closed off, or multiple window panes that are damaged, broken, and unrepaired;

- (10) Doors to the property that are smashed through, broken off, unhinged, or continuously unlocked;
- (11) A risk to the health, safety, or welfare of the public or any adjoining or adjacent property owners due to acts of vandalism, loitering, criminal conduct, or the physical destruction or deterioration of the property;
- (12) An uncorrected violation of a municipal building, housing, or similar code during the preceding year, or an order by municipal authorities declaring the property to be unfit for occupancy and to remain vacant and unoccupied;
- (13) The mortgagee or other authorized party has secured or winterized the property due to the property being deemed vacant and unprotected or in danger of freezing;
- (14) A written statement issued by a mortgagor expressing the clear intent of all mortgagors to abandon the property; or
- (15) Any other reasonable indicia of abandonment.

§302-54 Property Registration Program

- (a) Purpose. The purpose of this section is to create a Township Property Registration Program for the purposes of identifying and monitoring vacant and abandoned residential and commercial properties within the Township.
- (b) Responsibilities. The Township Property Registration Program shall be responsible for regulating the care, maintenance, security, and upkeep of the exterior of vacant and abandoned residential and commercial on an annual basis.
- (c) Official. The Township Zoning Officer shall be responsible for administration of The Township Property Registration Program.

§302-55 Certificate of Registration for Vacant and Abandoned Property

- (a) The Responsible Party for a vacant and abandoned property shall file a certificate of registration with the Zoning Officer of the Township within 90 days after the property becomes vacant and abandoned or within 30 days after the Responsible Party assumes ownership of or responsibility for an already vacant and abandoned property, whichever is later.
- (b) The certificate of registration shall be filed on forms prescribed by the Zoning Officer and shall contain:
 - (1) the name, street address, and telephone number of a natural person who resides or maintains an office within the State and who is either the Responsible Party or an authorized agent designated by the Responsible Party to receive notices and complaints of property maintenance and code violations on behalf of the Responsible Party.
 - (2) the name, street address, and telephone number of the person responsible for maintaining the property, if different; and
 - (3) evidence of any liability insurance
- (c) A Responsible Party for a vacant and abandoned property shall file an amended

certificate of registration within 30 days after any change in the information required to be included thereon.

- (d) A certificate of registration shall remain valid for one year and shall be renewed on an annual basis if the property remains vacant and abandoned.
- (e) An annual fee of \$250 for a certificate of registration for a vacant and abandoned property shall be paid to the Township.
- (f) If there is an outstanding property maintenance or code violation on a vacant and abandoned property that remains unabated at the time of renewal, the Responsible Party shall pay an additional fee of \$500.
- (g) If there is an outstanding property maintenance or code violation on a vacant and abandoned property that remains unabated at the time of a subsequent renewal, the Responsible Party shall pay an additional fee of \$750.

§302-56 Duties of Responsible Party

- (a) Forty-five (45) days after the Township notifies the Responsible Party that the property is vacant and abandoned and until the property is reoccupied, the Responsible Party for a vacant and abandoned property, shall:
 - (1) Enclose and secure the property against unauthorized entry;
 - (2) Post a sign affixed to the inside of the property and visible to the public indicating the name, address, and telephone number of the Responsible Party, any authorized agent designated by the Responsible Party for the purpose of receiving service of process, and the person responsible for maintaining the property if different
 - (3) Acquire and otherwise maintain liability insurance by procuring a vacancy policy, covering any damage to any person or any property caused by any physical condition of the property.
- (b) This section shall not be construed to diminish any property maintenance responsibilities of property owners who are not subject to the provisions of this section.

§302-57 Residential or Commercial Foreclosures

- (a) The Creditor filing a summons and complaint in an action to foreclose shall, in addition to the notice provided to the municipality pursuant to N.J.S.A. 46:10B-51 register the residential or commercial property with the Township's Property Registration Program as a property in foreclosure.
- (b) Registration as a Property in Foreclosure. The Creditor must provide the municipality with:
 - 1. The information pursuant to **§302-55(b)**;

2. The date the summons and complaint in an action to foreclose on a mortgage was filed against the subject property, the court in which it was filed, and the docket number of the filing; and
 3. Identify whether the property is vacant and abandoned in accordance with the definition in §302-53; and
 4. If there is any change in the name, address, or telephone number for a representative, agent, or individual authorized to accept service on behalf of a Creditor required to register pursuant to the property registration program following the filing of the summons and complaint, the Creditor shall update the Property Registration Program within 10 days of the change in that information; and
 5. If there is any change in the property's status, update the property registration with Township's Property Registration Program to reflect the change; and
 6. If the Creditor is located out-of-State, the information of an in-State representative or agent to act for the foreclosing creditor.
- (c) The Creditor filing a summons and complaint in an action to foreclose shall be responsible for the care, maintenance, security, and upkeep of the exterior of the property if the property is vacant and abandoned at any time while the property is registered with the Property Registration Program.
- (d) A foreclosed property is considered vacant and abandoned if it meets the definition of §302-53.
- (e) In the case of a violation for failure to provide care, maintenance, security, and upkeep of the exterior of vacant and abandoned property, such notice shall require the person or entity to correct the violation within 30 days of receipt of the notice, or within 10 days of receipt of the notice if the violation presents an imminent threat to public health and safety.
- (f) Fees. The Creditor will pay an annual registration fee of:
1. \$500 per property annually for any property that is required to be registered because a summons and complaint in an action to foreclose was filed by the Creditor.
 2. An additional \$2,000 per property annually if the property is vacant or abandoned when the summons and complaint in an action to foreclose is filed, or becomes vacant and abandoned pursuant to the definition in the ordinance at any time thereafter while the property is in foreclosure.
 3. The registration fee shall be due no later than January 31st.

- (g) Any fines imposed pursuant to this section shall commence 31 days following receipt of the notice of violation, except if the violation presents an imminent risk to public health and safety, in which case any fines shall commence 11 days following receipt of the notice.
- (h) Penalties for Out-of-State Creditors. An out-of-State Creditor who fails to appoint an in-State representative or agent after the 10th day of the period set forth in N.J.S.A. 46:10B-51 shall be subject to a fine of \$2,500 for each day of the violation.
- (i) 20% of any money collected pursuant to this section shall be utilized by the municipality for code enforcement purposes.

§302-58 Provisions Only Applicable to Commercial Properties

- (a) For the purposes of this section only, "Creditor" means a State chartered bank, savings bank, savings and loan association or credit union, any person required to be licensed under the provisions of the "New Jersey Residential Mortgage Lending Act," N.J.S.A. 17:11C-51 through N.J.S.A. 17:11C-89, and any entity acting on behalf of the Creditor named in the debt obligation including, but not limited to, servicers. For purposes of this section, a Creditor shall not include the State, a political subdivision of the State, or a State, county, or local government entity, or their agent or assignee, such as the servicer.
- (b) A Creditor serving a summons and complaint in an action to foreclose on a mortgage on commercial property shall, within 10 days of serving the summons and complaint, notify the Township Clerk and the Mayor that a summons and complaint in an action to foreclose on a mortgage has been filed against the subject property.
- (c) The notice shall contain the full name, address, and telephone number for the representative of the Creditor who is responsible for receiving complaints of property maintenance and code violations and the full name and contact information for any person or entity retained by the Creditor or a representative of the creditor to be responsible for any care, maintenance, security, or upkeep of the property.
- (d) The notice may contain information about more than one property, and shall be provided by mail and electronic mail communication.
- (e) The Township Clerk shall forward a copy of the notice to the Construction Official, Zoning Officer, and Health Officer for administration of any property maintenance or public nuisance code.
- (f) The notice shall also include the street address, lot, and block number of the property.
- (g) If there is any change in the name, address, or telephone number for a representative, agent, or individual authorized to accept service on behalf of a Creditor required to be provided in a notice pursuant to this paragraph following the filing of the summons

and complaint, the Creditor shall provide a notice to the Township Clerk containing the updated name, address, or telephone number within 10 days of the change in that information.

- (h) If the owner of a commercial property vacates or abandons any property on which a foreclosure proceeding has been initiated or if a commercial property becomes vacant at any point subsequent to the Creditor's filing the summons and complaint in an action to foreclose on a mortgage against the subject property, but prior to vesting of title in the Creditor or any other third party, and the exterior of the property is found to be a nuisance or in violation of any applicable State or local code, the Zoning Officer shall notify the Creditor or the representative or agent.
- (i) The Township shall include a description of the conditions that gave rise to the violation with the notice of violation and shall provide a period of not less than 30 days from the Creditor's receipt of the notice for the Creditor to remedy the violation.
- (j) If the Creditor fails to remedy the violation within that time period, the Township may impose penalties allowed for the violation of municipal ordinances.
- (k) If the Township expends public funds in order to abate a nuisance or correct a violation on a commercial property in situations in which the Creditor was given notice pursuant to the provisions of subsection (h) of this section but failed to abate the nuisance or correct the violation as directed, the Township shall have the same recourse against the Creditor as it would have against the title owner of the property, including but not limited to the recourse provided under N.J.S.A. 55:19-100.

§302-59 Penalties and Fees

- (a) A Responsible Party that violates any provision of this section or any ordinance adopted pursuant hereto, shall be liable to a penalty of not less than \$500 and not more than \$1,000; which penalty may continue to be imposed and collected.
- (b) Each day that a violation continues shall constitute an additional, separate, and distinct offense.

SECTION 2. This Ordinance may be renumbered for the purposes of Codification.

SECTION 3. If any section, subsection, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or invalid by any court of competent jurisdiction, such decision shall not affect the remaining portions of the Ordinance.

SECTION 4. All ordinances or parts of ordinances of the Township of Mount Olive that are inconsistent herewith are repealed to the extent of such inconsistency.

SECTION 5. This Ordinance shall take effect twenty (20) days following final passage, approval, and publication as required by law.

**ORDINANCE OF THE TOWNSHIP OF MOUNT OLIVE, COUNTY OF MORRIS,
STATE OF NEW JERSEY, AMENDING CHAPTER 347, STREETS AND
SIDEWALKS, OF THE TOWNSHIP CODE TO
ESTABLISH A LIMITED REIMBURSEMENT PROGRAM FOR SHADE TREE
REMOVAL AND SIDEWALK REPAIR IN THE
CLOVER HILL DEVELOPMENT**

WHEREAS, the Township of Mount Olive has implemented a program to remove shade trees and repair sidewalks damaged by shade trees in the Clover Hill development; and

WHEREAS, certain Clover Hill residents who had performed the same work at their own expense prior to the program implementation have requested reimbursement by the Township; and

WHEREAS, the Administration has recommended codifying the rules and requirements for such residents to receive reimbursement; and

WHEREAS, the Township Council finds it in the best interest of the Township to amend the Township Code to adopt rules and regulations for a reimbursement program.

NOW, THEREFORE, BE IT ORDAINED by the Township Council of the Township of Mount Olive, in the County of Morris and State of New Jersey, as follows:

SECTION 1. Chapter 347, Streets and Sidewalks, of the Township Code is hereby amended to establish Article V, Clover Hill Shade Tree/Sidewalk Reimbursement Program, to read as follows:

§ 347-26 Definitions.

As used in this article, the following terms shall have the meanings indicated:

CLOVER HILL DEVELOPMENT

The Clover Hill development as approved by the Township of Mount Olive Planning Board on March 23, 1964.

SHADE TREES

Trees planted between the sidewalk and road within or adjoining the municipal right-of-way.

SIDEWALK

A paved, surfaced or leveled area, paralleling and usually separated from the street, used as a pedestrian walkway.

§ 347-27 Reimbursement Program.

More than 50 years ago, the Township approved the installation of shade trees in the Clover Hill development. The trees have more recently caused a financial burden to Clover Hill property owners. For the overall health, safety and welfare of those residents and the general public using the sidewalks, the Township has instituted the Clover Hill Shade Tree/Sidewalk Project to remove shade trees and repair sidewalks damaged by shade trees in Clover Hill, the cost of which is borne by the Township.

This article establishes a limited reimbursement program for Clover Hill property owners who removed shade trees and/or repaired sidewalks damaged by shade trees at their own expense on or after January 1, 2018. The reimbursement amount is based on the cost for the Township to perform the same service. There is no reimbursement for removal of privately installed trees.

§ 347-28 Eligibility.

Any Clover Hill residential property owner on a street for which concrete sidewalks are required under the Township's Land Use Code, and who has removed a shade tree and/or repaired a sidewalk abutting their

property for damage from a shade tree on or after January 1, 2018, is eligible to participate in the reimbursement program subject to the requirements of this article.

§ 347-29 Application.

Eligible property owners who wish to participate in the program must complete and submit a application form, which form is available from the Township Clerk. Applications shall be accepted until the Clover Hill Shade Tree/Sidewalk Project is deemed complete by the Township. The form shall include the following information, and be submitted to the Clerk for review and a determination by the Administrator or designee.

- A. Name
- B. Address
- C. Phone
- D. Email
- E. Length of sidewalk (feet).
- F. Number of shade trees
- G. Proof of payment/invoicing

§ 347-30 Appeal.

A Clover Hill property owner may appeal a denial to their application by submitting a request to the Township Clerk, with a copy forwarded to the Administrator. The Township Council, or a Council's designee, shall conduct a hearing within thirty (30) days of the appeal properly being filed with the Clerk, unless an extension is agreed to between the Township Council and the appellant. The Township Council shall thereafter render a decision.

SECTION 2. If any section, subsection, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or invalid by any court of competent jurisdiction, such decision shall not affect the remaining portions of the Ordinance.

SECTION 3. All ordinances or parts of ordinances of the Township of Mount Olive that are inconsistent herewith are repealed to the extent of such inconsistency.

SECTION 4. This Ordinance shall take effect twenty (20) days following final passage, approval, and publication as required by law.

Musconetcong Receives Segment C Designation

By Karen Doerfer, Communications and Development Associate

Sixteen years ago, this year, the Musconetcong received National Wild and Scenic designation for the upper and middle sections of the River, from the Saxton Falls dam to US-46 in Hackettstown, and Kings Highway to the railroad culverts south of Bloomsbury. The Wild & Scenic Rivers Act safeguards the free-flowing character of rivers by precluding them from being dammed, while allowing for the public to enjoy them. It encourages river management that crosses political boundaries, and promotes public participation to develop goals for protecting streams. Through this designation, sections of the Musconetcong are protected in partnership with municipalities, peer organizations, and the National Park Service through the Musconetcong River Management Council, while respecting private property rights.

This 2006 designation also allowed for future designation of an additional

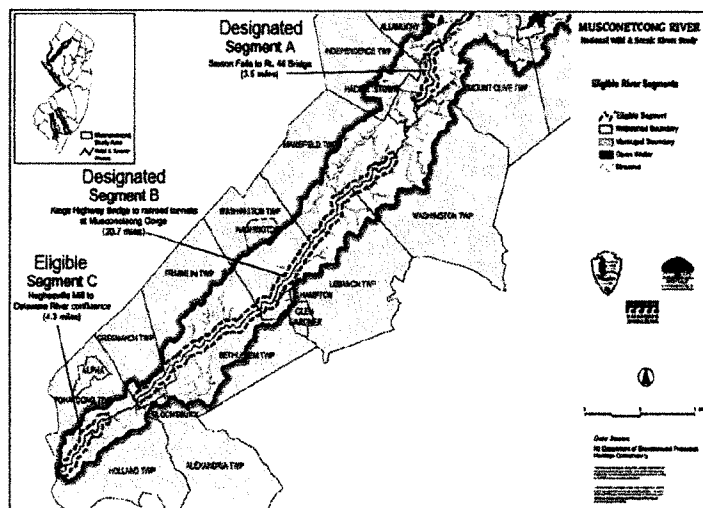

segment, from the former Hughesville dam to the Delaware River. Holland Township passed a resolution of support of Wild and Scenic designation in 2002 and Pohatcong Township passed a resolution of support in July, 2018. Even without this segment being designated, it has been a focus of river restoration. Since 2011, MWA and the Musconetcong River Restoration Partnership removed three abandoned dams on this section of the River, improving fish habitat and recreational boat passage. However, it was not fully protected by the Wild and Scenic Rivers Act, and the two Townships could not become voting members of the River Management Council.

In June, the Musconetcong National Wild and Scenic River received its last eligible segment designation of 4.3 river miles being added to the National Wild and Scenic Rivers System. Along with federal protection, this designation

brings in additional municipalities to elevate local river concerns into actions. Segment C of the Musky boasts three public river access points used by anglers and kayakers and three Historic Districts, including two villages established about 300 years ago.

Of the approximately 3.6 million miles of streams in the U.S., less than one percent are protected by the Wild and Scenic Rivers Act. MWA is proud to acknowledge this federal recognition, completing a designation journey begun over 16 years ago, with many helping along the way. Expect to see National Wild and Scenic River signs being installed at bridges crossing this new segment later this year.

A Note from the Executive Director, Tom Dallessio

As the new Executive Director of the Musconetcong Watershed Association, I'm both honored and thrilled to lead this amazing organization. Sometimes we take for granted the things that are truly invaluable. MWA is one of those gems, and after a few short weeks, I remain in awe of the natural and cultural resources in this very special place, and the people that work and/or volunteer to cherish and nurture these assets. Summer is the time of year when we kick back a little and perhaps experience more of what nature has to offer. While I can't (and shouldn't) say I've taken it easy, I can report that my introduction to all that MWA has to offer has been memorable. On my first day, I experienced the variety and breadth of experiences the Musconetcong Watershed has to offer. Christa Reeves, Sam Johnson and Craig Fleming took me to the River and walked me through the incredible scientific research they've undertaken. With each explanation, I could see the love they have for the Musconetcong, and feel the deep connection they've made through their monitoring and testing programs. Later, Bill Leavens walked me through the Asbury Mill and the awesome opportunities restoring this artifact will provide to current and future generations. I subscribe to Philip Johnson's axiom "One Cannot Not Know History." Between Bill's stories and Alan Hunt's research, I've become a big believer in the power of the Mill to serve the Watershed in ways that can educate, engage and empower residents and visitors. The Mill gives us many opportunities to expand our knowledge, considering how our past and present can inform and enhance our future.

Within the first week, I learned more about our Great Waters project from Alan and Jane Heeckt, and saw how they are working with collaborators like Trout Unlimited to survey those who fish and hike to expand opportunity and choice for all. And, Annie Polkowski shared her work to remove the Beatty's Mill Dam and restore the island next to our Mill. These and other MWA projects advance our mission to protect and

improve the quality of the Musconetcong River and its Watershed. The kid in me delights in the experience of Camp Musky. As Camp Counselor, Ryan Jiorle recruited Junior Camp Counselor Luke Kluthe and several volunteers to bring the wonders of the Watershed to children from 5-12 years old. For the rest of us, that wonder still exists! And, it serves as a reminder of how great the Watershed is for experiential learning. I owe a special thanks to Karen Doerfer, whose organizational and communication skills are critically needed, and to the Board of Trustees, who continue to offer good counsel and assistance. While most are relaxing during the lazy days of summer, the officers and other current and former Board members have been checking in routinely to make sure my transition would go smoothly.

As we all celebrate 30 years of advancing MWA's mission, we're excited to consider a vision for the next three decades. The Board and staff have embarked on a strategic planning process, providing us all with the roadmap for our short-and long-term future. We'll be sharing that plan with you in the next newsletter, and look forward to you joining us on this journey. In the meantime, I wish you the best of summers, and hope that the joy, energy and peace of this season remain in you throughout the year. Enjoy! ☺

Fishing for Pebbles

By Craig Fleming, Water Quality Intern

It's easy to picture. An early June morning: The sun is rising, drying out the morning dew, and warming up the air, as a lingering breeze pushes gentle clouds through the awakening sky. After acknowledging the beauty of it all you make your way down to the river, but instead of a fishing rod, you have your trusty gravelometer in hand. Rather than hooking a fish, this simple aluminum device allows MWA's Water Quality team to measure bed sediments ranging from fine sand to large cobbles, measuring over 7 inches. These measurements are conducted as part of MWA's pebble count project, which uses the Wolman pebble count method, and is a valuable sampling tool that gathers information such as stream character, channel formation and hydraulics, erosion rates, and sediment supply. The Wolman Method requires a sampling duo to make their way from downstream to upstream one step at a time. The morning waltz is done in a zig-zag pattern in which each stone, randomly chosen, passes through the appropriate hole of the gravelometer. Working bank to bank,

the team measures each sample – approximately 200+ pieces of sand, cobble, gravel, and boulder – to understand the average size at each section of Musconetcong River at 5 sites.

MWA aims to provide insight on sediment composition in sections of the river where dam removals occurred, prior to and throughout the restoration process. This information is important because, in sections of the river where there is heavy fine sediment deposition, the water quality is threatened. Specifically, in regions where dams remain, the macroinvertebrate population could be negatively impacted, which could then trickle up the food chain and have an adverse impact on crucial fish populations.

The U.S. Fish and Wildlife Service awarded MWA a grant to conduct pebble counts, focusing on gathering

Fleming, MWA's Water Quality Intern, conducting a pebble count downstream of the Beatty's Mill dam.

post-dam removal data at the site of the former Hughesville dam as well as pre-removal data downstream of the Warren Glenn dam. So far, the Hughesville dam post-removal data is showing a positive trend toward larger sediment grain sizes – nearly doubling in average grain size over the past three years! This is largely due to sediment being removed from behind the dam, before it was notched and then removed. This bodes well for water quality, since the macroinvertebrate populations prefer to call larger sediment sizes home. When there is inadequate sediment removal prior to a dam being taken out, a phenomenon known as “sanding” occurs downstream. If the streambanks of a river are not adequately stabilized at a dam removal site and immediately upstream, a phenomenon known as “incision” will occur. This is where the art and science of river restoration come together, stability is what is needed and it can be a balancing act that only the years will reveal.

Another exciting sampling location is at Beatty's Mill in Hackettstown where samples from upstream and downstream of the fragmented dam provide a well-rounded picture of how that section of the river will change once the dam is removed.

Though tedious, the continued collection of data through pebble counts will continue to support clean water in the Musky, and prove once and for all that fishing for pebbles on a sunny June morning may lead to more sustainable rod fishing for years to come. ☺

Farewell, Denise!

Denise Manole served her last ten months as the 2021-2022 Upper Delaware Watershed Ambassador, serving out of MWA's River Resource Center.

Over these last ten months, she has partnered with the MWA and other organizations in the Upper Delaware Watershed. With the MWA, she coordinated the annual Musconetcong Watershed Clean-Up, where volunteers removed 164 bags of trash and recyclables from the watershed. She also helped with a tree planting along MWA's Educational Trail where we planted 75 trees along the River, in partnership with the Delaware River Climate Core.

Most recently, Denise coordinated a

tire pull with the goal of removing tires from the Musconetcong River. Her team removed nearly 20 tires at four different sites along the River, along with a large piece of fence and a bag of trash.

In the larger Upper Delaware Watershed, Denise led five environmental stewardship trainings and more than 50 environmental educational programs.

Growing up in the Upper Delaware Watershed, she enjoyed reconnecting with the community and having a part in keeping our environment clean and healthy. Denise is excited to continue her adventures in the environmental field, and we thank her for her support this year. ☺

50 Years of the Clean Water Act, Protecting Our Natural Resources

By Christa Reeves, Water Quality Program Coordinator

This year marks the 50th anniversary of the signing of the Clean Water Act (CWA). Two years prior to this, the Environmental Protection Agency (EPA) was created, and this was a key piece of legislation in their arsenal to help protect and repair America's waterways. Before the CWA, two-thirds of our waterways were impaired and considered too polluted to fish or swim in. The now infamous Cuyahoga River fires were one of the sparks that led to a wave of attention being focused on water quality. TIME magazine picked up the story and ran with it with captions that stated that the river "oozes rather than flows." It was the final fire (there were at least 13 documented) in 1969 that inspired the first Earth Day in 1970, in which 20 million people participated. Other inspirations were Rachel Carson's book *Silent Spring* and the Santa Barbara oil spill in January 1969.

On October 28, 1971, Edmund Muskie (D-ME) introduced S. 2770, a bill to amend the Federal Water Pollution Control Act, an older and ineffective piece of legislation from 1948. The objective was to "restore and maintain the natural chemical, physical, and biological integrity of the Nation's waters," S. 2770 would ultimately become known as the Clean Water Act (CWA). The final version passed the House 366 to 11, passed the Senate unanimously, 74 to 0, and overrode a veto from President Nixon. Such was the clamor for repairing and restoring the Nation's waterways. This Act ended the culture of dumping raw sewage and untreated industrial waste into our waterways. Industry-specific discharge standards now prevent more than 700 billion pounds of toxic pollutants from being dumped into our Nation's waters each year.

The Clean Water Act touches the Musconetcong River in several ways. A handful of industries and two wastewater treatment plants have discharge permits to the river, mostly around Hackettstown and Mount Olive Township (Section 402). Water Quality Management Plans are meant to coordinate new surface and groundwater discharges to avoid cumulative impacts (Section 208). Uses

for all rivers are designated, with goals to achieve those uses (Section 303(c)). The Musconetcong River is designated for swimming (primary contact) and fishing, wading, and boating (Secondary contact). However, through another section of the CWA, the State monitors water quality (Section 305), and we know that more work needs to be done to achieve water quality for primary and secondary contact uses (Section 303(d)). The CWA also prevents the filling of streams and wetlands (Section 404). While the CWA has been very effective for reducing 'end of pipe' discharges to waterbodies, stormwater runoff and non-point pollution – the two most significant pollution sources for the Musconetcong River – are more difficult to manage since they come from many, diffuse sources.

While all parts of the CWA are important, the MWA is actively funded by a section passed in 1987, Section 319, Funding for Nonpoint Source Control. We are sampling sections of the Musconetcong River to understand inputs of bacteria and nutrients, such as phosphorus. We are working closely with partners at Montclair State University to understand not just the amount of bacteria in the river, but the source. This is called microbial source tracking, and it can tell us if the bacterial pollution is from wildlife, like deer, agricultural runoff or humans, or by way of leaky septic systems. When all of the sources of the pollutants are identified, the next phase begins, to create a 9-Element Watershed Restoration Plan. This document will outline the where, who, what, and how we go about restoring that section of the watershed. One of the elements is to implement Best Management Practices (BMPs) to help control or eliminate pollution from entering our waterways. Other actions include municipalities keeping their stormwater management plans up to date.

Do non-point source reduction strategies work? Within a targeted area, and with multiple landowners working together,

Original Caption: "11/3/1952 – Cleveland, OH – Firemen stand on a bridge over the Cuyahoga River to spray water on the tug Arizona, as a fire, started in an oil slick on the river, sweeps the docks at the Great Lakes Towing Company site in Cleveland Nov., 1st. The blaze destroyed three tugs, three buildings, and the ship repair yards."

bacterial pollution on West Portal Creek decreased by 97% over a ten year period. This came through sustained partnerships with landowners, agencies, and non-profit organizations, including North Jersey RC&D. We share these stories through the *West Portal Creek* film (2021) accessible from our website.

The Clean Water Act is not entirely a top-down approach. Like with the West Portal Creek project, it takes a bottom-up effort, and team approach to work effectively. Likewise, the CWA is an example of "cooperative Federalism" – where national goals are laid out, and the States have to identify how they can best achieve the goal of protecting and restoring the "physical, biological, and chemical integrity" of our Nation's waters. Our Great Waters NJ initiative aims to ensure that the State is doing the best it can to protect our waters for recreational uses, and our partnership with the National Park Service to manage the Musconetcong National Wild and Scenic River largely relies on the State making sound water quality decisions. Our collective interest in the Clean Water Act, including public comments on permits and regulations, and doing what we can on our own land, volunteering water quality monitoring, and helping with a riverside tree planting is all little "d" democracy work that is essential to keeping our waters clean. ☺

Hurray for Headwaters! Summer Fun in the Great Waters of New Jersey

By Jane Heecht, Project Coordinator, Great Waters NJ Initiative

Summer is here! As the mercury climbs, thousands of New Jersey residents head out to the Highlands to beat the heat. Some come to hike or camp with their families under the shade of tall trees. But more come out to paddle and splash in the cool, fresh waters of Northwestern New Jersey.

From the sandy shores of Lake Hopatcong to its confluence with the Delaware River, the Musconetcong flows for 42 miles among the lush green hills and shady slopes of Morris, Sussex, Warren, and Hunterdon Counties. With 59 public access points, there are many places to launch a boat or river tube, or wade into its refreshing waters – waters kept cool and clear thanks to its upstream headwaters.

The headwaters of the Musconetcong start above Lake Hopatcong in northern New Jersey. This vast network of lesser streams, springs, and wetlands keep water clean, healthy, and flowing strong. These waters may take the form of tiny brooks that emerge from rocky slopes well off the beaten path. They may be springs that bubble up with the melting snow then slowly disappear. Or, small streams that flow freely when the water table is high but shrink into shallow pools when it's low. They may even appear as marshy meadows nestled among pastures and fields. Some headwaters are not even mapped. But visible or not, headwaters contribute far more to a river and its surrounding environment – and wholesome summer fun – than most people realize.

Larger downstream waters like the Musconetcong are supported by their headwaters in three important ways. They help maintain water volumes and regulate runoff. They filter and dilute harmful pollutants and keep them from reaching dangerous levels. They help maintain sediment at healthy levels.

Pump up (or down) the Volume

Once the mercury begins to rise, water levels begin to fall. But in the Highlands, huge volumes of water emerge from the countless springs that dot the hillsides and are gathered up in myriad small

streams. This water finds its way into the Musconetcong and keeps it splashable and boatable even in the dog days of summer.

They play an equally important role in keeping excess water from overwhelming downstream waters during wet periods and from the strong summer storms that frequently lash our region. They intercept excess rainfall, and channel it over a wide area. Their rough and irregular banks effectively reduce water velocity, and help keep it from pouring downstream.

Dilution of Pollution

Nonpoint source pollution—such as fertilizers, household chemicals, and road salt – can easily wash into rivers, and rivers in more developed areas, such as the Musconetcong, are particularly vulnerable. These substances have a detrimental effect on water quality. Road salt and chemicals can kill off the organisms that keep our water clear. Fertilizers can feed algae growth, turning once sparkling waters into a poisonous green soup. And high levels of any toxin are harmful to wade or swim in.

Headwater networks create a web of protection that keep this kind of pollution out of rivers. Streams that are bounded by trees and other natural vegetation trap pollutants and prevent them from flowing directly into downstream waters. The large volumes of clean, fresh water they send downstream can dilute chemicals and other pollutants, and keep them from reaching dangerous levels.

Sedimental Journey

Sediment – the loose particles that settle to bottom of a water body – is a natural part of a river. Whether it is carried by wind or water, sediment is necessary for maintaining the water's equilibrium.

Headwaters deliver a slow and steady supply of sand, clay, silt, soil, and organic matter to downstream waters. This sediment helps form beaches, spits, sand bars, and estuaries. It supports critical habitat for aquatic plants and animals. It provides healthy levels of vital nutrients and minerals that keep waters thriving.

The Great Waters NJ Initiative works to protect the rivers in Northwestern New Jersey, making it safe for swimming and fishing.

Too much sediment, however, is harmful to streams and the plants and animals that live there. Suspended sediment makes waters cloudy, and can inhibit plant growth. Excessive silt can bury and suffocate the eggs of fish and other animals. Toxic compounds and harmful bacteria can bind with soil and other sediment particles, and wash into downstream waters, making them unsafe for recreation. Too much sediment can also make rivers too shallow for boating and paddling. By channeling stormwater across a broad area and reducing its velocity, a healthy and intact headwaters network can trap huge amounts of sediment and prevent excess particles from washing downstream.

Be a Headwaters Hero!

Do you love to cool off in the Musconetcong, or any of the lakes, rivers, and streams of Northwestern New Jersey? Do you want to keep our Great Waters fresh, clean, and cool for generations to come? Visit greatwatersnj.org, and learn more about our Great Waters and all that they have to offer, the risks that they face, and what you can do to help protect them. Then take action! Share your own Great Waters story. Sign the petition urging local officials to support greater protections for Great Waters, their headwaters, and the lands that surround them.

No matter the season, the lakes, rivers, and streams of Northwestern New Jersey are among the finest in state—and beyond. Help keep it this way! 🍷

Each month, MWA hosts an interactive workshop, highlighting different issues, causes, or interesting facts about the plants, wildlife, and towns in the Musconetcong Watershed. This is your chance to meet MWA Board and staff as well as our project partners and friends of the organization who are experts on an array of subjects!

If you'd like to be first to know about upcoming River Talk events, email "River Talk Info" to info@musconetcong.org to be added to our email list. We hope to see you soon!

The Musconetcong Watershed Association

The Musconetcong River Valley is rich in scenery, history, natural resources, and recreational opportunities. The river rises up in Lake Hopatcong - New Jersey's largest spring-fed lake - and is shadowed by 1,000-foot Highland ridges and slices through a deep, limestone river valley, flowing swiftly to the Delaware River. Along the way the "Musky" passes by state and county parks, bustling towns, vital industries, historic villages, and some of the most productive farmland in the state.

The Musconetcong Watershed Association (MWA) is a non-profit organization formed in 1992 to protect and enhance the Musconetcong River and its related resources through advocacy and environmental education programs, scientific research and river restoration projects. The MWA scope spans the 158 square-mile Musconetcong River Watershed, and includes portions of four counties, and all or portions of 26 municipalities. The Musconetcong River became part of the National Wild and Scenic River System in 2006.

MWA members are part of a network of individuals, families and organizations who care about the Musconetcong River and its watershed. They are kept informed about issues concerning the river and its related resources by receiving quarterly issues of the Musconetcong River News.

Beechtree Farm

Beechtree Farm is a 58-acre preserved farm in Hopewell, NJ. Owners Lucia and Charlie raise grass-fed beef, lamb, and pork on their own pastures, practicing rotational grazing and prioritizing animal health and proper land stewardship for over 35 years!

Near and dear to NOFA NJ, Lucia has served on the Board of Directors, most recently chairing the Nominating Committee and helping our organization find and appoint new staff and Board Members.

Both Charlie and Lucia serve as mentors for beginning farmers and support fellow producers in their community. Support Beechtree Farm by finding their products at local farmers markets (Hopewell, Pennington, and West Windsor) and by stopping by their on-farm market. Their farm is open for sales 7 days/week, just be sure to call ahead and **Support Local Farms!**

August already... July was a brutal month for NJ farmers, with heat wave after heat wave and the (almost) total absence of rain. Sadly, NOFA NJ also lost two members of our community: Assemblyman Ron Dancer and Farmer Dan Rovensky. Assemblyman Dancer was a long-time advocate for NJ farmers and recently worked with NOFA NJ to help support organics in NJ. Dan Rovensky was a farmer and a friend to all whose **contributions to this community will not be forgotten**. May they both Rest In Peace.

Fairgrown Farm is an 8-acre organic (but not certified) farm producing a variety of specialty crops in Hopewell, NJ. Fairgrown Farm is owned and operated by brothers James and Alex Klett, who divvy up duties: James runs the farm and Alex handles repairs, infrastructure, and other support tasks.

Fairgrown utilizes a cooperative model for bringing local, chemical-free produce to their customers. By focusing their growing on specialty items and sourcing staple crops from larger growers, James and Alex are able to keep a consistent supply of food and flowers available for their community and in turn supporting fellow growers. Support Fairgrown Farm by finding their products at local farmers markets (Hopewell and Montgomery) and by subscribing to their CSA program. **Support Local Farms!**

Terminology of Mental Health, Psychosocial Support, and Disaster Phases

Wednesday July 26, 2022 from 1:00 pm - 2:00 pm ET

Please join the Region 2 National Preparedness Division in partnership with AmeriCares for a webinar discussing the terminology of mental health, psychosocial support and disaster phases.

People respond differently to disasters, so knowing the range of possible responses helps determine the appropriate psychosocial and mental health interventions, even when we are not mental health professionals.

This workshop presents the most common and anticipated reactions in disaster settings. It also includes a discussion on terminology in the areas of emergencies, disasters and mental health issues. Identifying characteristics and common disaster terminology is important to individuals working on the health continuum and in disaster preparedness, response and recovery.

Who should attend: First-response staff, Emergency Managers, CERT Volunteers, Hospital Personnel and Health Care Providers.

Registration: <https://fema.connectsolutions.com/mentalhealthterminology/event/registration.html>

Re: Township of Mount Olive, County of Morris, State of New Jersey
Overlook at Flanders – Wastewater Treatment Plant Mechanical Bar Screen Improvement
Portion of Block 4600, Lot 11
Application Submitted by Aqua New Jersey, Inc.: Highlands Applicability Determination
File No.: SCE-R11395.011

Ms. Michelle Masser:

This letter and complete application is providing legal notification that an application for a Highlands Applicability Determination will be submitted to the New Jersey Department of Environmental Protection (NJDEP), Division of Land Resource Protection under the *Highlands Water Protection and Planning Act Rules*, NJAC 7:38. In addition, the Highlands Applicability Determination will also establish whether the project or activity on the above property is consistent, not addressed or inconsistent with the applicable area-wide Water Quality Management Plan. The proposed project involves upgrades to the screening components of the existing wastewater treatment plant located at the Overlook at Flanders apartment complex. This application requests the following determination(s) from the Department:

 X **Exemption # 4** which establishes whether the project or activity proposed on the above property is exempt from the Highlands Water Protection and Planning Act rules for the specific exemption activity.

 Determination of "Major Highlands development" which establishes whether or not the project or activity proposed on the above property is a major Highlands development under the Highlands Water Protection and Planning Act rules. If a proposed project or activity is determined to be a major Highlands development and is not exempt, the proposal will be subject to these rules.

 Unregulated by NJDEP which establishes if the project or activity proposed on the above property is agricultural or horticultural and thus not regulated by the NJDEP under the *Highlands Water Protection and Planning Act Rules*.

A complete copy of the application is enclosed for public review, or the public can call NJDEP at (609) 984-0921 to make an appointment to see the application at NJDEP offices in Trenton during normal business hours.

The rules governing Highlands Applicability Determinations are found in the NJDEP's *Highlands Water Protection and Planning Act Rules* at NJAC 7:38. You can view or download these rules on

the NJDEP Highlands website at www.nj.gov/dep/landuse/highlands, or you can find a copy of these rules in the county law library in your county courthouse.

NJDEP welcomes any comments you may have on this application. Please send any comments within 30 days after the NJDEP publishes notice of the application in the DEP Bulletin (www.nj.gov/dep/bulletin). NJDEP shall consider all written comments submitted within this time; comments cannot be accepted by telephone. Please submit any comments you may have *in writing, along with a copy of this letter*, to:

Mount Olive Township, Morris County

Dear Mr. Sawyer:

The Division issued an original Freshwater Wetlands Letter of Interpretation (LOI) for the referenced site on January 11, 2018. You have requested that this LOI be extended in accordance with the requirements at N.J.A.C. 7:7A-4.6.

After review of the most recently updated resource value information and site conditions, the Division hereby extends the original LOI without modification to **January 10, 2028**, five years from expiration of the original LOI. Please be advised that wetland resource value of the wetlands on the property is subject to change if new information is received by the Division.

Please be advised that any surface water features on the site or adjacent to the site may possess flood hazard areas and/or riparian zones and development within these areas may be subject to the Flood Hazard Area Control Act rules at N.J.A.C. 7:13. The Department can verify the extent of flood hazard areas and/or riparian zones through a flood hazard area verification under the application procedures set forth at N.J.A.C. 7:13-5.1.

Appeal Process

In accordance with N.J.A.C. 7:7A-21, any person who is aggrieved by this decision may request a hearing within 30 days of the date the decision is published in the DEP Bulletin by writing to: New Jersey Department of Environmental Protection, Office of Legal Affairs, Attention: Adjudicatory Hearing Requests, Mail Code 401-04L, P.O. Box 402, 401 East State Street, 7th Floor, Trenton, NJ 08625-0402. This request must include a completed copy of the Administrative Hearing Request Checklist found at www.nj.gov/dep/landuse/forms. Hearing requests received after 30 days of publication notice may be denied. The DEP Bulletin is available on the Department's website at www.nj.gov/dep/bulletin. In

addition to your hearing request, you may file a request with the Office of Dispute Resolution to engage in alternative dispute resolution. Please see the website www.nj.gov/dep/odr for more information on this process.

Please contact Robert Helsel of our staff by e-mail at robert.helsel@dep.nj.gov or by phone at (609)777-0454 should you have any questions regarding this letter. Be sure to indicate the Department's file number in all communication.

Sincerely,

Good Afternoon, Mayors and Municipal Officials,

Happy August! The summer is flying by, but there is still lots of time to enjoy New Jersey's beautiful State Parks! This summer, admission to all State Parks is free of cost, so get out there and enjoy some of the beautiful open space we have in the Garden State.

As always, thank you for reading our newsletter, and please feel free to send along any questions or feedback to our new Office-wide email: localgov@dep.nj.gov.

Governor Murphy Signs Legislation Requiring Establishment of Electric School Bus Program ⚡

Today, Governor Murphy signed a bill (A1282) requiring the New Jersey Department of Environmental Protection (DEP) to implement a three-year "Electric School Bus Program" to provide funding for the purchase of electric school buses and charging infrastructure across the state and to assess a variety of operational issues related to school bus electrification. The bill's signing testifies to the Murphy Administration's continued commitment to the reduction of greenhouse gas emissions, vehicle electrification, and the protection of children and families from harmful air pollutants, especially in environmental justice communities.

Through the Electric School Bus Program, the DEP will issue \$15 million in grants in Year One and up to \$15 million in Years Two and Three for a total of up to \$45 million over the course of the three-year program. Grants will be awarded to at least six school districts or bus contractors annually. In each year, at least half of the school districts or school bus contractors selected by the DEP – and at least half of the grant funding awarded by the DEP in each year – will be allocated to a low-income, urban, or environmental justice community in order to mitigate the disproportionate health impacts of medium- and heavy-duty vehicles on vulnerable populations.

2022 EPA Clean School Bus Rebates Are Now Available! 💰

The US Environmental Protection Agency (EPA) Clean School Bus Program provides funding to replace existing, diesel school buses with electric and low-emission models. \$500 million is currently available for 2022 Clean School Bus rebates. The application is easy, no match is required, and funds can be awarded before purchasing the bus. **Applications are due August 19, 2022.**

Entities eligible for this rebate program include State and local governments that provide bus service, including public school districts, Nonprofit school transportation associations, Native American tribes, tribal organizations, tribally controlled schools, and more. High-need school districts and low-income areas, along with rural districts and tribal areas will be prioritized.

For more information about eligibility, priority groups, and how to apply, please check out the [Clean School Bus Program page](#) of the EPA or reach out to the program via cleanschoolbus@epa.gov.

NJDEP Encourages New Jersey Residents and Businesses to Conserve Water 💧

Given the drier than usual conditions this summer in New Jersey, the NJDEP is encouraging New Jersey residents and businesses to conserve water. While these conditions have not significantly impacted drinking water supply indicators statewide, persistently hot and dry conditions could adversely affect water supplies. It is important that residents and businesses take proactive steps to help moderate their use of water to help ensure ample supplies throughout the summer.

“Now is the time for New Jersey to be especially mindful of water usage and proactively moderate our consumption,” said *Commissioner of Environmental Protection Shawn M. LaTourette*. “Although our reservoirs and other indicators are healthy, persistent hot and dry weather coupled with the high water demands of summer can quickly impact water supply. Simple steps, like reducing lawn and landscape watering, go a long way in preserving our water supplies and avoiding the necessity of significant restrictive measures.”

The DEP will continue to monitor water supplies very closely and advise the public, local governments, and water systems as appropriate. For a DEP microsite on water conservation measures, please visit <https://dep.nj.gov/conservewater/>.

Governor Murphy Launches Year Three of Charge Up New Jersey Electric Vehicle Incentive Program and Unveils New Residential EV Charger Program ⚡

Last week, Governor Murphy announced the launch of Year Three of the State’s popular Charge Up New Jersey electric vehicle (EV) incentive program and also unveiled the State’s new residential EV charger program. The Charge Up Program is currently the country’s largest cash-on-the-hood incentive program, with a maximum \$4,000 incentive. Over the last two years of the program, over 13,000 EVs were purchased or leased with this incentive. The new Residential EV Charger Incentive Program offers a \$250 rebate for a home charger. This program can be combined with the already existing utility programs, which may cover installation costs.

The full press release for this announcement can be viewed at the following [link](#). For more information about EV incentives in NJ, please visit the NJDEP DRIVE GREEN website at the following [link](#).

Hurricane Ida Recovery Registration Survey 📄

The State of New Jersey has been awarded \$228 million in Community Development Block Grant – Disaster Recovery (CDBG-DR) funds from the U.S. Department of Housing and Urban Development (HUD) to assist with the recovery from Hurricane Ida. The funds will create housing recovery and mitigation programs to help individuals and communities.

To access these federal recovery funds, the State must develop an Action Plan for how it will use these funds and submit it to HUD for approval. Developing the Action Plan and recovery programs will take several months to complete. The State will also dedicate funding from the FEMA Hazard Mitigation Grant Program (HMGP) towards housing mitigation efforts. The State will prepare an application to FEMA on behalf of specific properties to request funds to elevate them.

As the State begins this process, we are looking for feedback from homeowners and renters whom Ida impacted. If you are interested in hearing more about the recovery programs, please complete a short survey, which can be accessed at the link below, to provide information on your assistance needs. The survey will remain open throughout the remainder of 2022.

PRESS ADVISORY & RELEASE:
July 25, 2022
For Immediate Release

Historic Morris Canal Restoration Will be Dedicated at Wharton's Canal Day

Ribbon-Cutting to Mark Completion of 16-Year Preservation Mission

With some fanfare and a ribbon cutting, Wharton Borough will officially complete a 16-year mission to restore one of the most remarkably preserved and unique sections of the famous Morris Canal – and of course, the festivities will be held at the 47th Annual “Canal Day Music & Craft Festival” in Wharton Borough on Aug. 20.

The site at **Wharton's Hugh Force Canal Park** is one of the remaining and best-preserved watered sections of the **historic Morris Canal**, which was responsible for the economic development of not only the Borough but the entire region 175 years ago. The restoration project, developed with **\$4.7 million in state and county grants**, involves a quarter-mile stretch of the old 102-mile long canal that once linked Phillipsburg and Jersey City.

A lock, by which boats were once elevated or lowered during their journey through sections of the uniquely engineered canal, is being fully restored, along with an adjacent, stone “lock tender's” house that will become a new museum.

The Music & Craft Festival Runs 10 a.m. to 5 p.m.

“The Morris Canal Lock 2 East restoration project was sixteen years in the making. The plan was to make Wharton Borough a destination utilizing remnants from its past glory, and just as this 19th Century waterway was revolutionary with its engineering achievements, the canal site today will produce economic vitality for the Borough nearly 200 years later,” said **John Manna**, President of the **Canal Day Association** and project coordinator for Wharton.

“This project focused federal, state, and municipal governments to this end, and we hope to have busloads of school children visit daily to learn about this legacy. You know it's not every day that a piece of history is brought back to life from the past,” **Manna added.**

It was a **multi-year, multi-phase plan** funded by the New Jersey Department of Transportation (over **\$4 million**) the Morris County Historic Preservation Trust Fund (over **\$658,000**) and the New Jersey Historic Trust (over **\$88,000**). Also key to its success were the North Jersey Transportation Planning Authority, the Morris County Board of County Commissioners, the Morris County Park Commission, Wharton Borough's mayors and council members over two decades, and the Canal Society of New Jersey.

“**This is absolutely unique.** Wharton now has a beautifully restored, quarter-mile segment of the historic Morris Canal, as well as the only operational canal lock on what remains of the entire 102-miles of the old canal. The project also restored one of the few remaining lock-tender houses on the canal. Due to the diligence and hard work of everyone involved from the start, this project is a major success,” said **Morris County Commissioner Stephen Shaw**, liaison to the county's Office of Planning and Preservation.

“Wharton wanted this project for many years because it would make Wharton a destination point. Every town council over the years supported the restoration. The Morris Canal created Wharton’s early economy. It built the economy of the entire area. This is about our history, and with the help of so many, we have finally restored a stretch of the canal that includes a working lock, the tender house, a quarter mile of the canal and we even have the pond where boats would float and wait to go through the lock,” said **Wharton Mayor William Chegwidde**n, who also is a high school history teacher.

The Mayor also credited John Manna with initiating the project and spearheading efforts over the past 20 years to get it completed.

Hugh Force Canal Park is also part of the Morris County Park Commission’s West Morris Greenway, a trail system that remains under development and in planning stages, but eventually will extend into Jefferson Township. Because of its historical significance and unique features, the canal restoration at Hugh Force Canal Park is expected to become an attraction for educational programs, school visits and tourists.

The lock, also historically known as **Bird’s Lock**, had been buried long ago when the development of railroads prompted the state to abandon the Morris Canal in 1924. No one was certain what remained of the lock, as so many other locks, prisms and inclines along the 102-mile stretch had been destroyed, repurposed or left to decay over the past century. However, the project revealed not only that the stone walls remained remarkably intact, but the original Mitre gate doors also were found buried at the site so that it was possible to reconstruct exact replicas of the originals, which will be placed on display.

Project History, Cost and Funding Sources

2006 - NJ Historic Trust and Morris County Historic Preservation Trust Fund provided grant funding of \$87,000. The funds were utilized to create an historic site master plan and feasibility study. Funds were also utilized for determining the condition of the buried lock in which 64 shovel tests and large trenches were made, during which 731 artifacts were retrieved.

2007 - Morris County Historic Preservation Trust Fund provided a grant of \$100,000 to assist with professional services towards the restoration of the lock. The funds were utilized to acquire DEP permitting and approvals.

2008 - NJ Historic Trust granted an award of \$50,000 for the preparation of restoration documents for the lock, canal basin, and lock tender’s house. This work included site analysis, environmental permitting, and schematic design, as well as archaeological monitoring.

2010 - The project received Department of Environmental Protection permitting approvals to begin work.

2010 – N.J. Department of Transportation provided a grant totaling \$582,000 to excavate Lock 2E and restore the stone walls to grade level.

2011 - Morris County Historic Preservation Trust Fund provided a construction grant of \$286,450 for the fabrication of wood lock gates, control mechanism, and funding for the construction of the lock walls to their historic elevation.

2015 - Morris County Historic Preservation Trust Fund provided funding of \$117,995 for Mitre Gates.

2016 - Morris County Historic Preservation Trust Fund provided \$27,852 for construction documents.

2017 - Morris County Historic Preservation Trust Fund provided a grant of \$38,790 for design and contract administration for the lock tender's house construction.

2018 - Morris County Historic Preservation Trust Fund provided a grant of \$38,250 for design and contract administration for the lock construction.

2019 - New Jersey Department of Transportation provided funding of \$3,424,800 through their Transportation Alternative Grant Program

Morris County Documenting Veterans of the "Forgotten Wars"
Public Invited to Submit Names of Those Who Served in the Endless Korean Conflict

The signing of the **Korean Armistice Agreement 69 years ago today, 10 a.m. on July 27, 1953**, officially ended the brutally destructive, large scale military actions that defined the Korean War, which left more than 5 million dead after three years.

But no peace treaty was ever signed, and hostilities continued over the decades, particularly from Oct. 5, 1966 to Dec. 3, 1969, when North Korea launched dozens of violent, armed incursions into South Korea. United States military personnel were on the ground to repel the attacks each time, and they have remained there with nearly a hundred Americans making the ultimate sacrifice in what are called America's "Forgotten Wars."

Morris County's Office of Planning and Preservation is documenting its "Veterans of the Z," those who served in the formal Korean War and those who have served since 1953 along the volatile and dangerous Korean Demilitarized Zone (DMZ) – a 2.5-mile wide, heavily militarized dividing line between North Korea and South Korea by the 1953 armistice.

Check Out: Korea & Morris County Veterans of the "Forgotten Wars"

"The Korea veteran listing is anticipated to be a unique one, encompassing not only the Korean conflict from 1950 to 1953, but the considerable tensions in the ensuing decades," said **Jan Williams, Cultural and Historic Resources Specialist** for the planning and preservation office.

"Along with the original soldiers that served during the 1950's, many veterans in the 1960s were sent to Korea instead of 'Nam. The expectation is that the public will be submitting names of Korean veterans from 1950 all the way up to soldiers that served in 'The Z' quite literally through yesterday," she added.

In 2012, the Office of Planning and Preservation began the task of listing Morris County veterans from several conflicts. The undertaking was inspired by a WWII veteran from Rockaway, Mr. Peter Chipko, who said that history would forget the military service and sacrifice that the men and women of Morris County rendered to the country.

The list, known as the Morris County Veterans Compendium, is releasing this latest effort to capture veterans' histories regarding Korea.

To add a soldier or sailor to any of the lists, please send an email to Jan Williams:
jwilliams@co.morris.nj.us

The criteria for listing in the **Morris County Veterans Compendium** remains the same as what has been established for listings of Morris County Veterans who served in Vietnam, WWI, WWII and other conflicts. They must have been born in Morris County or lived in the county for ten years. If a veteran meets the criteria, but has retired out of state or passed away, they remain eligible for listing.

The basic information required for listing is the veteran's name, Morris County municipality of birth or residence and the military branch in which they served.

If you would like to donate your personal Korean War items or provide original or scans of photographs and documents, please contact: The Morris County Historical Society 68 Lafayette Avenue Morristown, NJ 07960 (973) 267-3465

Morris County Invites the Public to its 9/11 Remembrance Ceremony
Guest Speaker Is FDNY Firefighter Whose Father Died Responding to Attacks

The Morris County Board of County Commissioners is inviting residents of Morris County and beyond to join them on **Sept. 11, 2022, Sunday, at 6 p.m.** to observe the **21st Anniversary of the September 11, 2001 terrorist attacks.**

The annual remembrance ceremony will be held at the Morris County 9/11 Memorial on West Hanover Avenue in Parsippany-Troy Hills, with the keynote address to be provided by Fire Department of New York (FDNY) **Firefighter Carl F. Asaro, Jr.** He and three siblings joined the FDNY to honor their father, **Carl Francis Asaro, Sr.**, one of 343 FDNY members killed while responding to the Twin Tower attacks.

Carl, Jr., was the first of his siblings to join the FDNY after his father died. Carl Jr., now 34, was followed by his brother, Matthew, 33, and then his younger sister and brother -- Rebecca, 30, and Marc, 28. Rebecca Asaro delivered the keynote address last year at Morris County's 20th Anniversary 9/11 Remembrance Ceremony

“All of us were there when Rebecca spoke, the whole family, and I made a commitment to be there this year. It’s an honor to be a part of it,” said Carl, Jr.

Their father's firehouse in Midtown Manhattan was the hardest hit on Sept. 11, 2001. **Fifteen firefighters on Engine 54, Ladder 4, Battalion 9 – an entire shift - died** as they responded to the devastation as it was unfolding at the Twin Towers.

Carl Jr. was 13 years old when he and his four siblings and mother, Heloiza, lost their father and husband.

“This is a very important remembrance ceremony for Morris County. We lost 64 of our friends and neighbors 21 years ago in the cowardly terrorist attacks in New York, Pennsylvania and Washington D.C. The entire community came together to build our 9/11 memorial in Parsippany. It is a memorial we have continued to maintain and restore over the years, and every year we come together at that location to remind the world, we will never forget,” said Commissioner Director Tayfun Selen.

The Morris County 9/11 Memorial on West Hanover Avenue in Parsippany-Troy Hills was constructed to pay tribute to all of the people killed in the attacks, nearly 3,000, with an emphasis on the 64 Morris County residents lost that day.

The names of all who died are engraved in ruby-colored paving stones set in the walkway surrounding the memorial, and the names of each of the 64 Morris County residents killed are additionally listed on individual, brass plates affixed atop of the memorial's inner wall.

Circular in design, the memorial features three elevated pieces of steel from the World Trade Center, and a portion of the steel is within hand's reach. The memorial also incorporates remnants of hijacked United Airlines Flight 93 that crashed in Shanksville, Pa., and soil from the Pentagon, the site of the crash of hijacked American Flight 77.

A pool of water encircles the memorial along with a walkway with benches for visitors to sit and reflect. The walkway also has four bridges leading across the water and toward the cemented, circle that encloses the steel.

As a plaque at the memorial explains, “The concrete blocks at the base of the steel represent the foundations of our lives: family, relationships and community. The recurring, circular forms on the site signify the continuance of life. The water surrounding the memorial symbolizes healing and rebirth. The island on which the steel beams stand and the connecting bridges suggest the blending of ethnic, cultural and spiritual differences. The flowers beneath the concrete blocks represent life and hope, reminding us that with the passing of time comes healing, peace and resolve.”

Seating at the memorial is limited, so the public is encouraged to bring lawn chairs to the outdoor observance. Parking will be available at the Morris County Department of Human Services building at 340 West Hanover Ave., on the Morris Township side of the street. Shuttle buses will be available to transport those in need the short distance to the memorial.

Police, fire departments and rescue squads from across the county are invited to participate by sending one apparatus per department and assembling at 4:30 p.m. at the Morris County Public Safety Academy, 500 West Hanover Ave., in Parsippany-Troy Hills.

Keep Cool in Sweltering Temps

The high heat causes more than discomfort - it can pack a lethal punch. Try these strategies to keep your cool:

- If you don't have AC, take a cool shower or visit a library, shopping mall or cooling center. A fan won't help when temperatures soar.
- Stay hydrated. Avoid caffeine and alcohol.
- Wear light-weight, light-colored and loose-fitting clothing.
- Pace yourself on outdoor activity and stay in the shade.
- Never leave children or pets in the car.
- Sunscreen helps keep your skin cool.
- Avoid hot, heavy meals.

PRESS RELEASE:
Aug. 3, 2022
For Immediate Release

Randolph Family Restaurant Receives Morris County Small Business Grant

Rosie's Trattoria, the popular Randolph family restaurant, received a \$15,000 Morris County Small Business Grant Program check today, as two of the Morris County Board of County Commissioner made a special delivery.

The restaurant's struggle to remain in business during and after the pandemic epitomizes what the entire restaurant industry in New Jersey endured, with many not surviving. Closures, a slow return of patrons and rising costs well after 2020 challenged restaurateurs to be creative, flexible and work long hours.

“Our customers, they kept coming and we could not have done it without them. This is a family restaurant, we have always been a family restaurant and we are so thankful,” said Rosie Inchiappa, who owns and operates the business with her husband, Giuseppe.

“This town was very supportive, everyone was supportive,” said Giuseppe.

The pandemic hit when Rosie's, located on Sussex Turnpike in Randolph, was remodeling and expanding. The restaurant quickly adapted with a take-out business and, when lock-down orders were finally rescinded, an expanded outdoor seating area. The cost of doing business continues to increase, and the restaurant qualified for the full \$15,000 permitted under the Morris County Small Business Grant Program.

Commissioner Deputy Director John Krickus and Commissioner Deborah Smith delivered the check and a letter from the board to Rosie, her husband and brother in-law, Rene.

Nearly 550 grants have been approved to date under the **Morris County Small Grant Program**, which was the brainchild of the Morris County Commissioners, as they developed a unique use of funds issued to the county through the American Rescue Plan Act. Federal guidelines only allow Morris County to apply the dollars to pandemic related expenses incurred during and after March 2021.

The board set aside \$10 million in funds for the program, and less than \$1.8 million is still available.

There is NO COST to apply.

Federal guidelines covering the grant program will determine exactly which expenses qualify for coverage and which applications may be approved. The grants are capped at \$15,000 per applicant. However, business owners and nonprofits are encouraged to submit applications that include all costs they believe may qualify for the grant, even if the total amount of a single claim exceeds \$15,000.

A final review may determine that some costs submitted for consideration are not covered under the program guidelines. However, by submitting all expenses that may qualify, applicants increase the possibility of getting the maximum amount of grant dollars possible.

Rosie took the Commissioners on a tour of the family-run restaurant, which opened in 2005.

NOTICE TO NEW JERSEY NATURAL GAS CUSTOMERS

IN THE MATTER OF THE PETITION OF NEW JERSEY NATURAL GAS COMPANY FOR THE ANNUAL REVIEW AND REVISION OF ITS BASIC GAS SUPPLY SERVICE (BGSS) AND ITS CONSERVATION INCENTIVE PROGRAM (CIP) RATES FOR F/Y 2023 DOCKET NO. GR22060373

NOTICE OF FILING AND PUBLIC HEARINGS

TO OUR CUSTOMERS:

PLEASE TAKE NOTICE that on June 1, 2022, New Jersey Natural Gas ("NJNG" or "Company") filed a petition ("Petition") with the New Jersey Board of Public Utilities ("Board" or "BPU") which constituted its 2022-2023 Basic Gas Supply Service ("BGSS") and Conservation Incentive Program ("CIP") rate filing pursuant to an Order issued by the Board on January 6, 2023, Docket No. GX01050304 ("Generic BGSS Order"), and Orders related to the CIP issued by the Board on Docket No. GR05121020 dated December 12, 2006 and January 21, 2010, and in Docket No. GR13030185 dated May 21, 2014. The BGSS charge includes actual and projected natural gas commodity, storage, and interstate transportation costs. The CIP charge provides for a rate adjustment related to changes in average use per customer when compared to a pre-established baseline value. In the Board's November 17, 2021 Order in BPU Docket No. GR21030679, the Board authorized NJNG to adjust its Balancing Charge in the annual BGSS filing to reflect updated costs.

In the Petition, NJNG requested that the Board permit NJNG to increase its BGSS rate for residential and small commercial sales customers and adjust its CIP rates effective October 1, 2022. Additionally, NJNG requested to increase its Balancing Charge effective October 1, 2022. The impact of the rate changes for a residential heating customer using an average of 100 therms per month would be an increase of \$17.07 per month, or 12.5 percent as a result of the proposed BGSS rate, an increase of \$1.45 per month, or 1.1 percent as a result of the proposed Balancing Charge rate, and an increase of \$3.04 per month, or 2.2 percent as a result of the proposed CIP rate. The combined impact of these rate changes would result in an overall increase of approximately \$21.56 or 15.8 percent per month on a 100 therm residential bill. All Balancing Charge revenues from sales and transportation customers are credited to BGSS recoveries.

The effect of the Company's request for the rate adjustments, to be effective October 1, 2022, on natural gas bills for the applicable customer classes is estimated to be as follows:

Customer Type	Therm Level	Total Monthly Bill		Monthly Bill Impact				% Impact		
		Bill as of May 1, 2022	Proposed Bill as of October 1, 2022	Balancing Charge	CIP	Net Increase/Decrease	BGSS	Balancing Charge	CIP	Net Increase/Decrease
Residential Heat Sales	100	\$136.21	\$157.77	\$17.07	\$1.45	\$3.04	\$21.56	12.5%	1.1%	15.8%
Residential Non-Heat Sales	25	\$39.81	\$46.67	\$4.26	\$0.36	\$2.24	\$6.86	10.7%	0.9%	12.3%
General Service - Small	100	\$158.11	\$177.87	\$17.07	\$1.45	\$3.04	\$21.56	10.7%	0.9%	11.7%
General Service - Large	1200	\$2,216.96	\$2,211.80	(\$5.16)	(\$5.16)	(\$10.32)	(\$10.32)	-0.2%	-0.2%	(\$10.32)

The General Service - Large ("GSL") sales customers are not affected by the proposed BGSS request because they are subject to Monthly BGSS rates tied to monthly market pricing for their natural gas supply. GSL sales customers' overall bills are also not affected by the proposed Balancing Charge because their Monthly BGSS rates are net of the Balancing Charge and the Balancing Charge is included in their Delivery Charge, offsetting each other. The GSL BGSS decrease and Balancing Charge increase shown above reflect the proposed Balancing Charge change in both rates resulting in no impact.

PLEASE TAKE FURTHER NOTICE that future changes in NJNG's rate for BGSS service may occur if NJNG elects to adjust its BGSS rates upward by filing timely notice with the Board and the New Jersey Division of Rate Counsel ("Rate Counsel") pursuant to the Generic BGSS Order. Any such self-implementing increase is limited to a maximum of five (5) percent of the total residential bill effective December 1, 2022, and to a maximum of five (5) percent of the total residential bill, effective February 1, 2023. Further, these self-implementing increases would be provisional and subject to true-up in connection with the next annual BGSS filing. Pursuant to the Generic BGSS Order, NJNG is permitted to decrease its BGSS rate at any time upon five (5) days' notice and the filing of supporting documentation with the Board and Rate Counsel.

If both of the above-mentioned self-implementing increases were put into place as of the requested effective dates, the effect on typical Residential and General Service - Small natural gas bills are estimated to be as follows:

Customer Type	Therm Level	Total Monthly Bill		Increase	
		Bill as of October 1, 2022	Proposed Bill including December and February BGSS 5 Percent Increases	Amount	Percent
Residential Heat Sales	100	\$157.77	\$173.94	\$16.17	10.2%
Residential Non-Heat Sales	25	\$46.67	\$50.71	\$4.04	8.7%
General Service - Small	100	\$177.87	\$193.24	\$15.37	8.6%

The Board has the statutory authority to establish the BGSS, CIP and Balancing Charge rates at levels it finds just and reasonable. Therefore, the Board may establish the BGSS, CIP and Balancing Charge rates at levels other than those proposed by NJNG. NJNG's natural gas costs addressed in the Petition remain subject to audit by the Board, and Board approval shall not preclude or prohibit the Board from taking any such actions deemed appropriate as a result of any such audit.

PLEASE TAKE ADDITIONAL NOTICE that due to the COVID-19 Pandemic, virtual public hearings will be conducted on the following date and times so that members of the public may present their views on the Petition at the virtual public hearings as noted below:

NOTICE TO NEW JERSEY NATURAL GAS COMPANY CUSTOMERS
In the Matter of the Petition of New Jersey Natural Gas Company for
Approval of a Base Rate Adjustment Pursuant to the IIP Program
DOCKET NO. GR22040247
NOTICE OF FILING AND PUBLIC HEARINGS

TO OUR CUSTOMERS:

PLEASE TAKE NOTICE that on March 31, 2022, New Jersey Natural Gas Company ("NJNG", or the "Company") filed a petition and supporting documentation with the New Jersey Board of Public Utilities ("Board", or "BPU") seeking Board approval for base rate changes to provide for cost recovery associated with the Company's Infrastructure Investment Program ("IIP").

On October 28, 2020, the Board issued an Order in Docket No GR19020278 ("October 2020 Order") approving the IIP. The October 2020 Order provided approval for NJNG to invest up to \$150 million, excluding Allowance for Funds Used During Construction ("AFUDC"), to be recovered through base rate adjustments in order to undertake twenty-two infrastructure projects as well as installing excess flow valves and regulator protectors aimed at making the Company's distribution system more safe, reliable and resilient.

The IIP projects consist of 15 reliability and resilience projects, four replacement and reinforcement projects, one regulator station reconstruction project, two trunk line replacement projects, 8,000 excess flow valves and 47,500 regulator protector vents.

The Company's rate filing includes a request for recovery in base rates of the actual costs associated with the IIP projects through June 30, 2022, consisting of prudently-incurred capital expenditures, including actual costs of engineering, design and construction, cost of removal (net of salvage), property acquisition, actual labor, materials overheads and capitalized AFUDC.

At this time, the Company is requesting BPU approval to adjust base rates effective October 1, 2022 to recover approximately \$28.9 million of IIP investment costs made through June 30, 2022, resulting in a base rate increase of approximately \$3.16 million. If the proposed rates are approved by the Board, the impact to the typical residential heating customer using 100 therms in a month is an increase of \$0.49, or 0.4 percent.

The impact of the Company's filing, requested to be effective on October 1, 2022, or as of the date of the Final Board Order in this proceeding, on a typical residential customer (both heat and non-heat), a typical general service small customer and a typical general service large customer on a monthly basis is estimated to be as follows based on the usage levels shown below:

Customer Type	Therm Level	Total Bill		Increase	
		Bill as of July 1, 2022	Proposed Bill	Amount	Percent
Residential Heat Sales	100	\$136.21	\$136.70	\$0.49	0.4%
Residential Non-Heat Sales	25	\$39.81	\$39.93	\$0.12	0.3%
General Service – Small	100	\$159.11	\$159.71	\$0.60	0.4%
General Service – Large	1200	\$2,118.44	\$2,123.60	\$5.16	0.2%

The Board has the statutory authority to approve the requested changes to base rates at levels it finds just and reasonable. Therefore, the Board may establish the new rates at levels other than those proposed by NJNG.

PLEASE TAKE ADDITIONAL NOTICE that due to the COVID-19 Pandemic, virtual public hearings will be conducted on the following date and times so that members of the public may present their views on the Company's filing at the virtual public hearing as noted below:

NOTICE OF PUBLIC HEARINGS

IN THE MATTER OF THE PETITION OF ELIZABETHTOWN GAS COMPANY TO REVIEW ITS BASIC GAS SUPPLY SERVICE RATE AND CONSERVATION INCENTIVE PROGRAM RATES BPU Docket No. GR22060366

PLEASE TAKE NOTICE that on June 1, 2022, Elizabethtown Gas Company (“Elizabethtown” or “Company”), filed a petition with the New Jersey Board of Public Utilities (“BPU” or “Board”) in Docket No. GR22060366 to review its Periodic Basic Gas Supply Service (“BGSS-P”) rate and Conservation Incentive Program (“CIP”) rates (“Petition”), as modified on July 27, 2022 for a CIP 12+0 update. The BGSS-P component of the Petition was filed pursuant to the “Order Approving BGSS Price Structure” issued by the Board on January 6, 2003 in Docket No. GX01050304 (“2003 BGSS Order”). BGSS-P rates are designed to recover Elizabethtown’s cost of gas applicable to customers who purchase gas from Elizabethtown. The Company earns no profit from the BGSS-P rate. The CIP charge provides for a rate adjustment related to changes in average use per customer when compared to pre-established baseline values. The CIP is an incentive-based program that requires Elizabethtown to reduce gas supply related costs, and limits recovery of non-weather-related revenue loss to the level of gas supply costs savings achieved.

The Petition proposes to increase the current BGSS-P rate from \$0.4798 per therm to \$0.7190 per therm, inclusive of applicable taxes, and change CIP rates from \$0.0000 per therm to the following CIP rates per therm, inclusive of applicable taxes:

<u>Residential Delivery Service</u>	<u>Small General Service</u>	<u>General Delivery Service</u>
\$0.0141	(\$0.0351)	(\$0.0020)

Based on rates in effect July 1, 2022, the proposed BGSS-P and CIP rate changes will increase the monthly bill of a residential customer using 100 therms in a month by \$25.33 from \$110.59 to \$135.92, or 22.9%, consisting of an increase of a proposed BGSS-P increase of \$23.92 or 21.6% and proposed CIP increase of \$1.41 or 1.3%.

If approved, the effect of the Company's Petition on typical residential gas bills is illustrated below:

<u>Consumption in Therms</u>	<u>Present Monthly Bill July 1, 2022</u>	<u>Proposed Monthly Bill October 1, 2022</u>	<u>Proposed Change</u>	<u>Percent Change</u>
10	\$20.06	\$22.59	\$2.53	12.6%
50	\$60.30	\$72.96	\$12.66	21.0%
100	\$110.59	\$135.92	\$25.33	22.9%
250	\$261.48	\$324.80	\$63.32	24.2%

Pursuant to the 2003 BGSS Order, the proposed rate may be subject to self-implementing rate increases upon thirty days written notice to the BPU and the New Jersey Division of Rate Counsel (“Rate Counsel”). Any such self-implementing rate increases will be limited to a maximum of five percent (5%) of the total residential bill using 100 therms, effective December 1, 2022, and to a maximum of five percent (5%) of the total residential bill using 100 therms, effective February 1, 2023. Should it become necessary to apply both the December 1st and February 1st self-implementing increases, the respective cumulative impacts of these increases on typical residential gas bills are illustrated below:

<u>Consumption in Therms</u>	<u>Proposed Monthly Bill October 1, 2022</u>	<u>Potential Monthly Bill Dec. or Feb. 1st Inc.</u>	<u>Potential Change</u>	<u>Percent Change</u>
10	\$22.59	\$23.27	\$0.68	3.0%
50	\$72.96	\$76.36	\$3.40	4.7%
100	\$135.92	\$142.72	\$6.80	5.0%
250	\$324.80	\$341.80	\$17.00	5.2%

<u>Consumption in Therms</u>	<u>Proposed Monthly Bill October 1, 2022</u>	<u>Potential Monthly Bill Dec. and Feb. 1st Inc.</u>	<u>Potential Change</u>	<u>Percent Change</u>
10	\$22.59	\$23.98	\$1.39	6.2%
50	\$72.96	\$79.93	\$6.97	9.6%
100	\$135.92	\$149.86	\$13.94	10.3%
250	\$324.80	\$359.65	\$34.85	10.7%

These self-implementing increases will be provisional and subject to review in connection with the next annual BGSS filing. Elizabethtown is permitted to decrease its BGSS-P rate at any time upon five (5) days' notice and the filing of supporting documentation with the Board and Rate Counsel.

The Board has the statutory authority to establish Elizabethtown's rates at levels it finds just and reasonable as well as to establish the effective date of such rates. Therefore, the BPU may establish the rates at levels and/or an effective date other than those proposed by Elizabethtown. **PLEASE TAKE FURTHER NOTICE** that due to the COVID-19 Pandemic, virtual-telephonic public hearings have been scheduled on the following date and times below so that members of the public may present their views on the Company's Petition by dialing the toll-free telephone number listed below, followed by entering the listed passcode when prompted:

**Re: In the Matter of the Petition of Elizabethtown Gas Company to Review Its Basic Gas Supply Service Rate and Its Conservation Incentive Program Rates
BPU Docket No. _____**

Dear Acting Board Secretary and Acting Custodian Diaz:

Enclosed herewith is Elizabethtown Gas Company's ("Company") Petition to Review its Basic Gas Supply Service Rate ("BGSS-P") and its Conservation Incentive Rates ("CIP"), which has been filed electronically today utilizing the Board's e-filing Program. In accordance with the New Jersey Board of Public Utilities ("BPU") March 19, 2020 and June 10, 2020 Orders issued in BPU Docket No. EO20030254, hard copies are not being submitted at this time, but can be provided at a later time, if needed.

As discussed in the attached testimony, by this filing, the Company is seeking to adjust its BGSS-P rate due to a rise in the market prices for gas that have increased since the Company's last filing in 2021 and which are projected to stay at relatively high levels throughout the period covered by this Petition. The impact on the BGSS-P rate has been slightly offset by a credit in the proposed CIP rates. The Company has taken all reasonable steps to reduce its gas costs and manage the recent volatility experienced in the natural gas commodities market. The Company's efforts to reduce costs and manage volatility have included (1) continuing to execute its Gas Procurement Strategy and Plan on file with the Board, (2) maximizing credits to firm customers through the outsourcing of its gas supply and upstream capacity management and (3) employing its gas storage resources to reduce the Company's exposure to some of the volatility associated with wintertime price swings. The Company will continue to monitor market conditions and look for opportunities to lower costs and benefit our customers.

Please do not hesitate to contact me with any questions you may have. Thank you for your attention to this matter.

Respectfully submitted,

NOTICE OF PUBLIC HEARINGS

IN THE MATTER OF THE PETITION OF ELIZABETHTOWN GAS COMPANY FOR APPROVAL OF A RATE ADJUSTMENT PURSUANT TO THE INFRASTRUCTURE INVESTMENT PROGRAM (“IIP”) BPU Docket No. GR22040316

PLEASE TAKE NOTICE that on April 29, 2022, as modified on July 15, 2022, Elizabethtown Gas Company (“Elizabethtown” or “Company”) filed a petition with the New Jersey Board of Public Utilities (“Board”) seeking approval to increase rates associated with the Company’s Infrastructure Investment Program (“IIP”) (“Petition”). The Board approved the IIP and the associated cost recovery mechanism on June 12, 2019 in Docket No. GR18101197 (“Order”). The Order authorized the Company to invest up to \$300 million, over a five-year period commencing July 1, 2019 and ending June 30, 2024, to replace up to 250 miles of cast iron and bare steel mains and related services, as well as the installation of excess flow valves on new service lines (“IIP Projects”). The Order also authorized the Company to make annual filings with the Board to recover the costs associated with the IIP Projects investments and to earn a return on and a return of those investments through annual adjustments to rates. This Petition seeks Board approval to recover \$6.3 million of revenue requirements associated with approximately \$57.7 million of IIP Projects placed in-service from July 1, 2021 through June 30, 2022 with an October 1, 2022 rate effective date. The IIP Projects are intended to enhance distribution safety and reliability to the benefit of Elizabethtown’s customers, to help support the environment, and to facilitate economic development and employment in New Jersey.

If the proposed rate increase is approved by the Board, effective October 1, 2022, the per therm rates, inclusive of taxes, to all firm customers served under Service Classifications RDS, SGS, GDS, NGV, LVD, EGF, and GLS including certain firm, Board approved special contract customers served under the Company’s firm rate classes would be as follows:

		Current Rates	Proposed Rates	Change per
		<u>per Therm</u>	<u>per Therm</u>	<u>Therm</u>
RDS	Residential	\$0.0427	\$0.0621	\$0.0194
SGS	Small General Service	\$0.0471	\$0.0685	\$0.0214
GDS	General Delivery Service	\$0.0280	\$0.0408	\$0.0128
GDS	Seasonal SP#1 May-Oct	\$0.0154	\$0.0223	\$0.0069
NGV	Natural Gas Vehicles	\$0.0761	\$0.1107	\$0.0346
LVD	Large Volume Demand	\$0.0134	\$0.0195	\$0.0061
EGF	Electric Generation	\$0.0088	\$0.0128	\$0.0040
GLS	Gas Lights, per mantel	\$0.0395	\$0.0575	\$0.0180
Firm Special Contracts		\$0.0022	\$0.0032	\$0.0010

The impact of the proposed rate increase to rates in effect on July 1, 2022 for a residential customer using 100 therms is an increase to the customer's monthly bill of \$1.94 from \$110.59 to \$112.53, or an increase of approximately 1.8%.

If the Board were to approve the Company’s base rate case rate filing in BPU Docket No. GR21121254 prior to the approval of the proposed IIP rates in this proceeding, then the current IIP rates would be set to zero since they will be incorporated into the distribution rates upon approval

of that case. The proposed IIP rates would be re-calculated based solely on the period July 1, 2021, to June 30, 2022 and would be as follows:

		Proposed Rates per Therm Upon Rate Case Approval
RDS	Residential	\$0.0193
SGS	Small General Service	\$0.0213
GDS	General Delivery Service	\$0.0127
GDS	Seasonal SP#1 May-Oct	\$0.0069
NGV	Natural Gas Vehicles	\$0.0345
LVD	Large Volume Demand	\$0.0061
EGF	Electric Generation	\$0.0041
GLS	Gas Lights, per mantel	\$0.0179
Firm Special Contracts		\$0.0010

The Board has the statutory authority to approve and establish these tariff classifications and rates at levels it finds just and reasonable as well as to establish the effective date of such rates. Therefore, the Board may establish these rates at levels and/or an effective date other than those proposed by Elizabethtown. Elizabethtown's costs addressed in the Petition will remain subject to audit by the Board and Board approval shall not preclude or prohibit the Board from taking any such actions deemed appropriate as a result of any such audit.

Any assistance required by customers in ascertaining the impact of the proposed rate increase will be provided by the Company upon request.

PLEASE TAKE FURTHER NOTICE that due to the COVID-19 Pandemic, virtual public hearings are scheduled on the following date and times so that members of the public may present their views on the Petition at the virtual public hearing as noted below:

ORD.#22-2022

AN ORDINANCE OF THE TOWNSHIP OF MOUNT OLIVE, IN THE COUNTY OF MORRIS AND STATE OF NEW JERSEY, AMENDING CHAPTER 302 PROPERTY MAINTENANCE TO ESTABLISH ARTICLE IV VACANT AND ABANDONED PROPERTIES, PROPERTY REGISTRATION PROGRAM, OF THE TOWNSHIP CODE

WHEREAS, pursuant to N.J.S.A. 40:48-1 et seq. the New Jersey Legislature delegated to municipalities the responsibility to promulgate regulations designed to promote the public health, safety, and welfare of its citizens; and

WHEREAS, properties in foreclosure proceedings can involve properties that are vacant and abandoned or have an increased risk of becoming vacant and abandoned during the foreclosure proceeding; and

WHEREAS, vacant and abandoned properties in foreclosure create a greater risk of blight and can create a wide range of problems for the communities in which they are located. These problems can include fostering criminal activity, creating public health problems, depressing neighboring property values and reducing revenues for municipalities, and otherwise diminishing the quality of life for residents and business operators in those areas; and

WHEREAS, because of the increased risk of blight created by properties in foreclosure, it is important that the Township possess tools to identify such properties, monitor their status, and mitigate the risk that they become vacant and abandoned and, if vacant and abandoned, lead to blight; and

WHEREAS, the State of New Jersey has enacted statutes intended to assist municipalities in addressing such risks, including requiring that municipalities receive notice of the initiation of a foreclosure action in court in connection with residential properties and authorizing a public officer in a municipality to take certain action against properties that have been abandoned for more than six months; and

WHEREAS, a property registration program provides a valuable tool to confronting the risk of blight created by properties on which foreclosure proceedings have been initiated and such properties that become vacant and abandoned; and

WHEREAS, it is in the best interest of the Township to operate such a program to address the risk of blight; and

WHEREAS, the Township Council has determined that it is necessary and appropriate, and in the best interest of the health, safety and welfare of the Township of Mount Olive's residents and members of the public who visit, travel, or conduct business in the Township of Mount Olive to amend the Township of Mount Olive's Code regarding vacant and abandoned properties; and

NOW, THEREFORE, BE IT ORDAINED by the Township Council of the Township of Mount Olive, in the County of Morris and State of New Jersey, as follows:

SECTION 1. Chapter 302 Property Maintenance is hereby amended to add a new article to read as follows:

ARTICLE IV VACANT AND ABANDONED PROPERTIES PROPERTY REGISTRATION PROGRAM

§302-53 Definitions

The following terms, wherever used herein or referred to in this Code, shall have the respective meanings assigned to them unless a different meaning clearly appears from the context:

CREDITOR

A mortgagee or an agent or assignee of a mortgagee, such as the servicer, who has filed a complaint in the Superior Court seeking to foreclose upon a residential or commercial mortgage. If the entity seeking to foreclose upon the residential or commercial mortgage changes as a result of an assignment, transfer, or otherwise after the filing of the foreclosure complaint in the Superior Court, the new entity shall be deemed the Creditor for purposes of this section. For purposes of this section, a Creditor shall not include the State, a political subdivision of the State, a State, county, or local government entity, or their agent or assignee, such as the servicer.

RESPONSIBLE PARTY

The title holder of a vacant and abandoned property or a Creditor responsible for the maintenance of a property.

STREET ADDRESS

An address at which a natural person who is the Responsible Party or an authorized agent actually resides or actively uses for business purposes, and shall include a street name or rural delivery route.

VACANT AND ABANDONED PROPERTY

Any residential or commercial building which is not legally occupied by an owner, a mortgagor or tenant, which is in such condition that it cannot be legally reoccupied, and two or more of the conditions in exist:

- (1) Overgrown or neglected vegetation;
- (2) The accumulation of newspapers, circulars, flyers, or mail on the property;
- (3) Disconnected gas, electric, or water utility services to the property;
- (4) The accumulation of hazardous, noxious, or unhealthy substances or materials on the property;
- (5) The accumulation of junk, litter, trash, or debris on the property;
- (6) The absence of window treatments such as blinds, curtains, or shutters;
- (7) The absence of furnishings and personal items;
- (8) Statements of neighbors, delivery persons, or government employees indicating that the property is vacant and abandoned;
- (9) Windows or entrances to the property that are boarded up or closed off, or multiple window panes that are damaged, broken, and unrepaired;

- (10) Doors to the property that are smashed through, broken off, unhinged, or continuously unlocked;
- (11) A risk to the health, safety, or welfare of the public or any adjoining or adjacent property owners due to acts of vandalism, loitering, criminal conduct, or the physical destruction or deterioration of the property;
- (12) An uncorrected violation of a municipal building, housing, or similar code during the preceding year, or an order by municipal authorities declaring the property to be unfit for occupancy and to remain vacant and unoccupied;
- (13) The mortgagee or other authorized party has secured or winterized the property due to the property being deemed vacant and unprotected or in danger of freezing;
- (14) A written statement issued by a mortgagor expressing the clear intent of all mortgagors to abandon the property; or
- (15) Any other reasonable indicia of abandonment.

§302-54 Property Registration Program

- (a) Purpose. The purpose of this section is to create a Township Property Registration Program for the purposes of identifying and monitoring vacant and abandoned residential and commercial properties within the Township.
- (b) Responsibilities. The Township Property Registration Program shall be responsible for regulating the care, maintenance, security, and upkeep of the exterior of vacant and abandoned residential and commercial on an annual basis.
- (c) Official. The Township Zoning Officer shall be responsible for administration of The Township Property Registration Program.

§302-55 Certificate of Registration for Vacant and Abandoned Property

- (a) The Responsible Party for a vacant and abandoned property shall file a certificate of registration with the Zoning Officer of the Township within 90 days after the property becomes vacant and abandoned or within 30 days after the Responsible Party assumes ownership of or responsibility for an already vacant and abandoned property, whichever is later.
- (b) The certificate of registration shall be filed on forms prescribed by the Zoning Officer and shall contain:
 - (1) the name, street address, and telephone number of a natural person who resides or maintains an office within the State and who is either the Responsible Party or an authorized agent designated by the Responsible Party to receive notices and complaints of property maintenance and code violations on behalf of the Responsible Party.
 - (2) the name, street address, and telephone number of the person responsible for maintaining the property, if different; and
 - (3) evidence of any liability insurance
- (c) A Responsible Party for a vacant and abandoned property shall file an amended

certificate of registration within 30 days after any change in the information required to be included thereon.

- (d) A certificate of registration shall remain valid for one year and shall be renewed on an annual basis if the property remains vacant and abandoned.
- (e) An annual fee of \$250 for a certificate of registration for a vacant and abandoned property shall be paid to the Township.
- (f) If there is an outstanding property maintenance or code violation on a vacant and abandoned property that remains unabated at the time of renewal, the Responsible Party shall pay an additional fee of \$500.
- (g) If there is an outstanding property maintenance or code violation on a vacant and abandoned property that remains unabated at the time of a subsequent renewal, the Responsible Party shall pay an additional fee of \$750.

§302-56 Duties of Responsible Party

- (a) Forty-five (45) days after the Township notifies the Responsible Party that the property is vacant and abandoned and until the property is reoccupied, the Responsible Party for a vacant and abandoned property, shall:
 - (1) Enclose and secure the property against unauthorized entry;
 - (2) Post a sign affixed to the inside of the property and visible to the public indicating the name, address, and telephone number of the Responsible Party, any authorized agent designated by the Responsible Party for the purpose of receiving service of process, and the person responsible for maintaining the property if different
 - (3) Acquire and otherwise maintain liability insurance by procuring a vacancy policy, covering any damage to any person or any property caused by any physical condition of the property.
- (b) This section shall not be construed to diminish any property maintenance responsibilities of property owners who are not subject to the provisions of this section.

§302-57 Residential or Commercial Foreclosures

- (a) The Creditor filing a summons and complaint in an action to foreclose shall, in addition to the notice provided to the municipality pursuant to N.J.S.A. 46:10B-51 register the residential or commercial property with the Township's Property Registration Program as a property in foreclosure.
- (b) Registration as a Property in Foreclosure. The Creditor must provide the municipality with:
 - 1. The information pursuant to **§302-55(b)**;

2. The date the summons and complaint in an action to foreclose on a mortgage was filed against the subject property, the court in which it was filed, and the docket number of the filing; and
 3. Identify whether the property is vacant and abandoned in accordance with the definition in §302-53; and
 4. If there is any change in the name, address, or telephone number for a representative, agent, or individual authorized to accept service on behalf of a Creditor required to register pursuant to the property registration program following the filing of the summons and complaint, the Creditor shall update the Property Registration Program within 10 days of the change in that information; and
 5. If there is any change in the property's status, update the property registration with Township's Property Registration Program to reflect the change; and
 6. If the Creditor is located out-of-State, the information of an in-State representative or agent to act for the foreclosing creditor.
- (c) The Creditor filing a summons and complaint in an action to foreclose shall be responsible for the care, maintenance, security, and upkeep of the exterior of the property if the property is vacant and abandoned at any time while the property is registered with the Property Registration Program.
- (d) A foreclosed property is considered vacant and abandoned if it meets the definition of §302-53.
- (e) In the case of a violation for failure to provide care, maintenance, security, and upkeep of the exterior of vacant and abandoned property, such notice shall require the person or entity to correct the violation within 30 days of receipt of the notice, or within 10 days of receipt of the notice if the violation presents an imminent threat to public health and safety.
- (f) Fees. The Creditor will pay an annual registration fee of:
1. \$500 per property annually for any property that is required to be registered because a summons and complaint in an action to foreclose was filed by the Creditor.
 2. An additional \$2,000 per property annually if the property is vacant or abandoned when the summons and complaint in an action to foreclose is filed, or becomes vacant and abandoned pursuant to the definition in the ordinance at any time thereafter while the property is in foreclosure.
 3. The registration fee shall be due no later than January 31st.

- (g) Any fines imposed pursuant to this section shall commence 31 days following receipt of the notice of violation, except if the violation presents an imminent risk to public health and safety, in which case any fines shall commence 11 days following receipt of the notice.
- (h) Penalties for Out-of-State Creditors. An out-of-State Creditor who fails to appoint an in-State representative or agent after the 10th day of the period set forth in N.J.S.A. 46:10B-51 shall be subject to a fine of \$2,500 for each day of the violation.
- (i) 20% of any money collected pursuant to this section shall be utilized by the municipality for code enforcement purposes.

§302-58 Provisions Only Applicable to Commercial Properties

- (a) For the purposes of this section only, "Creditor" means a State chartered bank, savings bank, savings and loan association or credit union, any person required to be licensed under the provisions of the "New Jersey Residential Mortgage Lending Act," N.J.S.A. 17:11C-51 through N.J.S.A. 17:11C-89, and any entity acting on behalf of the Creditor named in the debt obligation including, but not limited to, servicers. For purposes of this section, a Creditor shall not include the State, a political subdivision of the State, or a State, county, or local government entity, or their agent or assignee, such as the servicer.
- (b) A Creditor serving a summons and complaint in an action to foreclose on a mortgage on commercial property shall, within 10 days of serving the summons and complaint, notify the Township Clerk and the Mayor that a summons and complaint in an action to foreclose on a mortgage has been filed against the subject property.
- (c) The notice shall contain the full name, address, and telephone number for the representative of the Creditor who is responsible for receiving complaints of property maintenance and code violations and the full name and contact information for any person or entity retained by the Creditor or a representative of the creditor to be responsible for any care, maintenance, security, or upkeep of the property.
- (d) The notice may contain information about more than one property, and shall be provided by mail and electronic mail communication.
- (e) The Township Clerk shall forward a copy of the notice to the Construction Official, Zoning Officer, and Health Officer for administration of any property maintenance or public nuisance code.
- (f) The notice shall also include the street address, lot, and block number of the property.
- (g) If there is any change in the name, address, or telephone number for a representative, agent, or individual authorized to accept service on behalf of a Creditor required to be provided in a notice pursuant to this paragraph following the filing of the summons

and complaint, the Creditor shall provide a notice to the Township Clerk containing the updated name, address, or telephone number within 10 days of the change in that information.

- (h) If the owner of a commercial property vacates or abandons any property on which a foreclosure proceeding has been initiated or if a commercial property becomes vacant at any point subsequent to the Creditor's filing the summons and complaint in an action to foreclose on a mortgage against the subject property, but prior to vesting of title in the Creditor or any other third party, and the exterior of the property is found to be a nuisance or in violation of any applicable State or local code, the Zoning Officer shall notify the Creditor or the representative or agent.
- (i) The Township shall include a description of the conditions that gave rise to the violation with the notice of violation and shall provide a period of not less than 30 days from the Creditor's receipt of the notice for the Creditor to remedy the violation.
- (j) If the Creditor fails to remedy the violation within that time period, the Township may impose penalties allowed for the violation of municipal ordinances.
- (k) If the Township expends public funds in order to abate a nuisance or correct a violation on a commercial property in situations in which the Creditor was given notice pursuant to the provisions of subsection (h) of this section but failed to abate the nuisance or correct the violation as directed, the Township shall have the same recourse against the Creditor as it would have against the title owner of the property, including but not limited to the recourse provided under N.J.S.A. 55:19-100.

§302-59 Penalties and Fees

- (a) A Responsible Party that violates any provision of this section or any ordinance adopted pursuant hereto, shall be liable to a penalty of not less than \$500 and not more than \$1,000; which penalty may continue to be imposed and collected.
- (b) Each day that a violation continues shall constitute an additional, separate, and distinct offense.

SECTION 2. This Ordinance may be renumbered for the purposes of Codification.

SECTION 3. If any section, subsection, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or invalid by any court of competent jurisdiction, such decision shall not affect the remaining portions of the Ordinance.

SECTION 4. All ordinances or parts of ordinances of the Township of Mount Olive that are inconsistent herewith are repealed to the extent of such inconsistency.

SECTION 5. This Ordinance shall take effect twenty (20) days following final passage, approval, and publication as required by law.

ORD. #24-2022

**ORDINANCE OF THE TOWNSHIP OF MOUNT OLIVE, COUNTY OF MORRIS,
STATE OF NEW JERSEY, AMENDING CHAPTER 347, STREETS AND
SIDEWALKS, OF THE TOWNSHIP CODE TO
ESTABLISH A LIMITED REIMBURSEMENT PROGRAM FOR SHADE TREE
REMOVAL AND SIDEWALK REPAIR IN THE
CLOVER HILL DEVELOPMENT**

WHEREAS, the Township of Mount Olive has implemented a program to remove shade trees and repair sidewalks damaged by shade trees in the Clover Hill development; and

WHEREAS, certain Clover Hill residents who had performed the same work at their own expense prior to the program implementation have requested reimbursement by the Township; and

WHEREAS, the Administration has recommended codifying the rules and requirements for such residents to receive reimbursement; and

WHEREAS, the Township Council finds it in the best interest of the Township to amend the Township Code to adopt rules and regulations for a reimbursement program.

NOW, THEREFORE, BE IT ORDAINED by the Township Council of the Township of Mount Olive, in the County of Morris and State of New Jersey, as follows:

SECTION 1. Chapter 347, Streets and Sidewalks, of the Township Code is hereby amended to establish Article V, Clover Hill Shade Tree/Sidewalk Reimbursement Program, to read as follows:

§ 347-26 Definitions.

As used in this article, the following terms shall have the meanings indicated:

CLOVER HILL DEVELOPMENT

The Clover Hill development as approved by the Township of Mount Olive Planning Board on March 23, 1964.

SHADE TREES

Trees planted between the sidewalk and road within or adjoining the municipal right-of-way.

SIDEWALK

A paved, surfaced or leveled area, paralleling and usually separated from the street, used as a pedestrian walkway.

§ 347-27 Reimbursement Program.

More than 50 years ago, the Township approved the installation of shade trees in the Clover Hill development. The trees have more recently caused a financial burden to Clover Hill property owners. For the overall health, safety and welfare of those residents and the general public using the sidewalks, the Township has instituted the Clover Hill Shade Tree/Sidewalk Project to remove shade trees and repair sidewalks damaged by shade trees in Clover Hill, the cost of which is borne by the Township.

This article establishes a limited reimbursement program for Clover Hill property owners who removed shade trees and/or repaired sidewalks damaged by shade trees at their own expense on or after January 1, 2018. The reimbursement amount is based on the cost for the Township to perform the same service. There is no reimbursement for removal of privately installed trees.

§ 347-28 Eligibility.

Any Clover Hill residential property owner on a street for which concrete sidewalks are required under the Township's Land Use Code, and who has removed a shade tree and/or repaired a sidewalk abutting their

property for damage from a shade tree on or after January 1, 2018, is eligible to participate in the reimbursement program subject to the requirements of this article.

§ 347-29 Application.

Eligible property owners who wish to participate in the program must complete and submit a application form, which form is available from the Township Clerk. Applications shall be accepted until the Clover Hill Shade Tree/Sidewalk Project is deemed complete by the Township. The form shall include the following information, and be submitted to the Clerk for review and a determination by the Administrator or designee.

- A. Name
- B. Address
- C. Phone
- D. Email
- E. Length of sidewalk (feet).
- F. Number of shade trees
- G. Proof of payment/invoicing

§ 347-30 Appeal.

A Clover Hill property owner may appeal a denial to their application by submitting a request to the Township Clerk, with a copy forwarded to the Administrator. The Township Council, or a Council's designee, shall conduct a hearing within thirty (30) days of the appeal properly being filed with the Clerk, unless an extension is agreed to between the Township Council and the appellant. The Township Council shall thereafter render a decision.

SECTION 2. If any section, subsection, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or invalid by any court of competent jurisdiction, such decision shall not affect the remaining portions of the Ordinance.

SECTION 3. All ordinances or parts of ordinances of the Township of Mount Olive that are inconsistent herewith are repealed to the extent of such inconsistency.

SECTION 4. This Ordinance shall take effect twenty (20) days following final passage, approval, and publication as required by law.

**RESOLUTION OF THE TOWNSHIP COUNCIL OF THE TOWNSHIP OF MOUNT
OLIVE OPPOSING THE PROPOSED RATE INCREASES TO THE STATE
HEALTH BENEFITS PROGRAM**

WHEREAS, the State Health Benefits Program (SHBP), governed by N.J.S.A. 52:14-17.25 et seq., offers medical, prescription drug, and dental coverage to qualified state and participating local government public employees, retirees, and eligible dependents; and

WHEREAS, all SHBP plans are self-funded, meaning that the money paid out for benefits comes directly from a SHBP account funded by the state, participating local employers, and member premiums; and

WHEREAS, the Division of Pensions and Benefits is responsible for the daily administrative activities of the SHBP, and the State Health Benefits Commission is the executive organization responsible for overseeing the SHBP; and

WHEREAS, the State Health Benefits Commission, comprised of state officials and union representatives, annually considers the calendar year premium levels for the Local Government Employer Group of the SHBP based on recommendations found in the Rate Setting Recommendation Analysis of the Local Government Employee Group; and

WHEREAS, the proposed rate increases for the 2023 Local Government Employer Group included a 24% increase for Active Medical, a 3.7% increase for Active Pharmacy, a 15.6% increase in Early Retiree Medical, and a 0.7% increase for Medicare. Early Retiree Pharmacy has a 5.7% decrease; and

WHEREAS, the Department of Treasury has reported that rates for active members and early retirees would likely be increased between 12% - 20% across the various plans for the upcoming year; and

WHEREAS, such proposed exorbitant rate increases will fall upon the local property taxpayer along with the local public employees at a time where there is record inflation; and

WHEREAS, the proposed premium increase for most active employees will take thousands more out of their paychecks annually and lead to huge costs for local governments that will translate into higher property tax bills for struggling families; and

NOW, THEREFORE, BE IT RESOLVED, that the Township Council of the Township of Mount Olive in the County of Morris does call upon the State Health Benefit Commission to reject the proposed rate increase; and

BE IT FURTHER RESOLVED, the Township Council of the Township of Mount Olive in the County of Morris urges the legislature to adopt legislation establishing an investigative committee with subpoena power to investigate the provenance of the proposed SHBP rate increases and delay the vote on any change to the rate for the 2023 Local Government Employer Group until a full investigation has been concluded; and

BE IT FURTHER RESOLVED, that the Township Council of the Township of Mount Olive in the County of Morris urges the legislature to adopt legislation expanding the composition of the State Health Benefits Commission to include representatives from both municipal and county governments and further urge the legislature to investigate allegations that an attempt to recover \$34 million which was paid to Horizon for a failed program to lower insurance costs was not carried through; and

BE IT FINALLY RESOLVED, that a copy of this resolution be forwarded to Governor Murphy, State Treasurer Muoio, Senate President Scutari, Assembly Speaker Coughlin, Senator Anthony Bucco, Assemblywoman Aura Dunn, Assemblyman Brian Bergen, Assemblyman Christian Barranco, and the New Jersey State League of Municipalities.

RESOLUTION OF THE TOWNSHIP OF MOUNT OLIVE, COUNTY OF MORRIS, STATE OF NEW JERSEY, AUTHORIZING THE SETTLEMENT OF NEW JERSEY DISTRICT COURT LITIGATION ENTITLED “HOWARD SCHIER V. MOUNT OLIVE TOWNSHIP AND MOUNT OLIVE PLANNING BOARD,” CIVIL ACTION NO. 2:19-CV-17705(JMV)(LDW).

WHEREAS, Plaintiff Howard Schier, the owner of 6 Red Maple Lane in the Township of Mount Olive (the “Property”), filed a lawsuit in the Federal District Court for the District of New Jersey, Civil Action No. 2:19-CV-17705(JMV)(LDW), naming the Township of Mount Olive and the Mount Olive Township Planning Board as defendants, and alleging various federal and State claims (the “Litigation”); and

WHEREAS, the Litigation generally concerns allegations as to the Federal Fair Housing Act and federal and State Civil Rights Claims; and

WHEREAS, the parties to the Litigation now wish to amicably resolve the claims by way of a proposed settlement agreement, which imposes certain conditions as to Plaintiff’s use of the Property; and

WHEREAS, the Mayor and the Township Attorney have determined that the Settlement Agreement is in the best interest of the Township and recommend authorizing same; and

NOW, THEREFORE, BE IT RESOLVED by the Township Council of the Township of Mount Olive, County of Morris, State of New Jersey, as follows:

1. The Mayor is hereby authorized and directed to execute a Settlement Agreement in the matter of Howard Schier vs. the Township of Mount Olive et al., Civil Action No. 2:19-CV-17705(JMV)(LDW) resolving the said litigation, which Settlement Agreement is attached hereto and incorporated herein.
2. The terms and conditions of the Settlement Agreement remain subject to formal review and approval by the Mount Olive Township Planning Board as to the relevant land-use portions thereof, and shall be considered and voted on by the Planning Board at a “Whispering Woods” hearing, on prior notice to the public, tentatively scheduled for August 18, 2022; during said hearing Plaintiff Howard Schier will make application to the Planning Board for use variance relief and seek a reasonable accommodation from the Township’s Land Use ordinances, and which the public shall have the opportunity to be heard and participate in accordance with the Planning Board’s internal rules as to the orderly running of its public meetings and hearings.
3. A copy of this resolution and the Settlement Agreement shall be on file with the Township Clerk for public inspection and review.

4. This resolution shall take effect immediately.

A RESOLUTION OF THE TOWNSHIP OF MOUNT OLIVE, IN THE COUNTY OF MORRIS AND STATE OF NEW JERSEY, AUTHORIZING THE EXECUTION OF A CONTRACT AND USE OF OPEN SPACE FUNDS FOR THE PURCHASE 5 PONDVIEW LANE (BLOCK 6900, LOT 26) LOCATED IN THE TOWNSHIP OF MOUNT OLIVE, MORRIS COUNTY, NEW JERSEY.

WHEREAS, the Township of Mount Olive was in need of acquiring a certain tract land in the Township; and

WHEREAS, the subject parcel is identified as BLOCK 6900, LOT 26 on the Township Tax Maps and consists of approximately 22.19 acres; and

WHEREAS, before going through with the applicable condemnation proceedings to acquire the subject parcel from the owner of record, the Township was able to purchase the property through a Sheriff's Sale to acquire the parcel; and

WHEREAS, pursuant to NJSA 40A:12-1 et seq., the Township Council of the Township of Mount Olives desires to acquire the 22.19 acre tract of land from the Estate of Daniel Russo as set forth in the contract attached hereto and made a part hereof, and which constitutes BLOCK 6900, LOT 26, on the Tax Map of the Township of Mount Olive, County of Morris, State of New Jersey; and

WHEREAS, this purchase can be covered through the issuance of bonds approved in ordinance #26-2021 from account #C-04-56-952-901; and

WHEREAS, the associated due diligence in order to complete the purchase is an allowable expense that can be covered by the Open Space Trust Fund and whereas there is funding available from account #2-29-55-900-002; and

WHEREAS, the Township Council of the Township of Mount Olive has determined that it is in the interest of the Township to acquire said property.

NOW, THEREFORE, BE IT RESOLVED by the Township Council of the Township of Mt. Olive, in the County of Morris, and State of New Jersey, as follows:

1. The Mayor and Township Clerk are hereby authorized and directed to sign the contract for the acquisition of BLOCK 6900, LOT 26, located on the Tax Map of the Township of Mount Olive, County of Morris, State of New Jersey and as shown in the contract attached hereto and made a part hereof.
2. The Township Attorney is hereby authorized to proceed with due diligence and order an appraisal, title search, inspection of the properties, and take any other steps necessary to complete this purchase pending the passage of appropriate ordinances.

3. The Township's CFO is hereby authorized to execute any payments prior to bill list approval, if needed and will report on such payments at the next recent bill list not to exceed \$10,000 to Evident Title located at 878 Pompton Ave, Ste A2, Cedar Grove, NJ 07009.
4. The Township's CFO is hereby authorized to electronically wire the payments to Evident Title located at 878 Pompton Ave, Ste A2, Cedar Grove, NJ 07009.
5. The Township's CFO is hereby authorized to execute a payment to finalize the Sheriff's Sale prior to bill list approval, if needed and will report on such payments at the next recent bill list not to exceed \$400,000 to the Morris County Sheriff's Office.
6. This resolution shall take effect immediately upon its passage.

TOWNSHIP OF MOUNT OLIVE

JOE NICASTRO

Mount Olive Township Council President

I hereby certify the above to be a true copy of a resolution passed by the Mount Olive Township Council at a duly convened meeting held on August 9, 2022.
